## Register of elected member training

Council is committed to the professional development of elected members to assist with fulfilment of their role as an elected member.

Under section 5.126 of the *Local Government Act 1995*, each council member must complete Council Member Essentials training within 12 months of being elected to Council. This only applies to those members elected at the ordinary election in October 2019 and the extraordinary election in February 2020.

Council also adopted *C2 - Elected Member and Employee Training and Professional Development*, as required by the *Local Government Act 1995*, that encourages individual and group professional development.
