### POLICY STATEMENT

It is a policy of the Shire of Derby/West Kimberley:

- b) To treat all workers with dignity and respect.
- c) To guarantee that all information is treated with sensitivity and confidentiality.
- d) To return the injured worker to the fullest capacity for gainful employment of which they are capable.

With this in mind, the 'Key Principles of Injury Management', as identified by *WorkCover WA*, will be adopted.

They are:

- 1. Recognition that employers and injured workers are the primary stakeholders within the workers' compensation system.
- 2. Maintenance in or a safe return to work is the expected outcome.
- 3. Medical practitioners and employers play a central decision-making role in the return to work of injured workers.
- 4. The focus of all services should be workplace based.
- 5. The injury management process should be transparent, cost efficient and effective.
- 6. Early intervention and pro-active injury management is critical in achieving return to work goals.
- 7. When vocational rehabilitation is required, all parties are involved in a process that is transparent and requires joint decision making.
