6.1 POLICY - ELECTED MEMBER AND CHIEF EXECUTIVE OFFICER ATTENDANCE AT EVENTS AND FUNCTIONS

File Number: 1

Author: Neil Hartley, Strategic Business Manager

Responsible Officer: Amanda O'Halloran, Chief Executive Officer

Authority/Discretion: Legislative

SUMMARY

The Shire of Derby/West Kimberley is required under the Local Government Act 1995 (Act), to adopt a attendance at events and functions policy, and report on attendance at events of Elected Members and the Chief Executive Officer (CEO). A recommendation is made to adopt a new Policy, "*C1 - Elected Member and Chief Executive Officer Attendance at Events and Functions*" to meet that compliance requirement.

DISCLOSURE OF ANY INTEREST

Chief Executive Officer - Impartiality.

BACKGROUND

Section 5.90A of the Local Government Legislation Amendment Act 2019 was passed by Parliament and requires Western Australian local governments to develop a policy related to Elected Member and CEO attendance at events.

A policy has been developed to meet the requirements of the Act, and to provide guidance to Elected Members and the CEO, for the acceptance of tickets and invitations to various events. The policy is also designed to clarify who is responsible for the payment of tickets or the equivalent value of the invitation.

STATUTORY ENVIRONMENT

Local Government Act S2.7 (Role of council) outlines in (2) (b) that Council determines the local government's policies.

Local Government Act Section 5.90A(2) (Policy for attendance at events) stipulates that attendance at events policy must be adopted by the Council.

(1) In this section —

event includes the following —

- (a) a concert;
- (b) a conference;
- (c) a function;
- (d) a sporting event;
- (e) an occasion of a kind prescribed for the purposes of this definition.

(2) A local government must prepare and adopt* a policy that deals with matters relating to the attendance of council members and the CEO at events, including —

- (a) the provision of tickets to events; and
- (b) payments in respect of attendance; and

- (c) approval of attendance by the local government and criteria for approval; and
- (d) any prescribed matter.

** Absolute majority required.*

- (3) A local government may amend* the policy.

** Absolute majority required.*

- (4) When preparing the policy or an amendment to the policy, the local government must comply with any prescribed requirements relating to the form or content of a policy under this section.
- (5) The CEO must publish an up-to-date version of the policy on the local government's official website.

POLICY IMPLICATIONS

This new policy is proposed in order to meet the legislative requirements of S5.90A of the Local Government Act.

FINANCIAL IMPLICATIONS

There were administrative costs in development of the policy and the preparation of this report, and there will be ongoing administrative costs in monitoring and managing the requirements of the policy.

STRATEGIC IMPLICATIONS

CONSULTATION

This Policy is specified by the Act and relates to requirements of the Elected Members’ and CEOs’ tenure, advertising the Draft Policy for public comment is not considered to be required. The Policy once adopted must be displayed on the Shire’s website.

COMMENT

The draft policy is considered to meet the requirements of the Local Government Act, as well as providing suitable guidance to Elected Members and the CEO for appropriate disclosure and management of acceptance of invitations to events and functions.

It is to be noted that tickets and invitations that fall under this policy are those provided to the Shire, not directly to individual Elected Members. A ticket or invitation provided directly to an Elected Member (as a member of the Council) or to the CEO, by a donor, sits outside of this policy and must therefore be considered as a potential gift to that person and declared as such if it meets the legislated gift requirements.

C1 - ELECTED MEMBER AND CHIEF EXECUTIVE OFFICER ATTENDANCE AT EVENTS AND FUNCTIONS

OBJECTIVE

The purpose of this Policy is to meet the requirements of Section 5.90A of the Local Government Act, by establishing guidelines for appropriate disclosure and management of acceptance of invitations to events or functions, or other hospitality occasions, where Elected Members and the Chief Executive Officer (CEO) are invited free of charge, whether as part of their official duties as Shire representatives or not.

POLICY

This Policy provides direction to Elected Members and the CEO only when an invitation to an event or function, or other hospitality occasion, ticketed or otherwise, is offered free of charge. It does not provide guidance on the acceptance of any other tangible gift or travel contribution.

Any other tangible gift/contribution to travel is required to be disclosed in accordance with current Local Government Act requirements.

Attendance at Events and Functions (tickets and hospitality) from the following entities are specifically excluded from the application of this Policy:

- WALGA (but not LGIS);
- Local Government Industry or affiliated organisations such as Kimberley Zone of WALGA, or Local Government Professionals Australia;
- Australian Local Government Association;
- A department of the public service;
- A government department of another State, a Territory or the Commonwealth; and,
- A local government or regional local government.

Should the attendance at Events and Functions (tickets and hospitality) from any of the above entities fall within the confines of Sections 5.87A and 5.87B (Gifts) of the Local Government Act 1995, they are still treated as a "Gift" and required to be recorded in the "Gift Register".

Attendance at an event in accordance with this policy relieves the gift holder from the requirements to disclose an interest if the donor has a matter before Council. Receipt of the gift is still however, required under the Gift Register provisions.

Attendance by Elected Members, CEO and other staff members at events includes the following:

- a concert;
- a conference;
- a function;

- a sporting event;
- agricultural shows;
- school award nights;
- cultural events; and,
- an occasion of a kind prescribed for the purposes of this definition.

The policy also sets out the guidelines relating to the provision of the following:

- the provision of tickets to an event;
- payment in respect of attendance;
- approval of attendance by the Shire and criteria approval; and
- any prescribed matter.

Provision of Tickets to Events - All invitations or offers of tickets for an Elected Member or CEO to attend an event should be in writing addressed to the CEO, and must be approved by Council pursuant to this Policy before being used.

The tickets should be provided to the Shire of Derby/West Kimberley, not individual Elected Members or the CEO.

A ticket or invitation provided by a donor to an individual in their capacity as an Elected Member or CEO is to be treated as a gift to that person, unless the tickets or invitation is referred to the Shire to be considered in accordance with this Policy.

Any invitation or offer of tickets not addressed to the CEO is not captured by this Policy and is required to be disclosed in accordance with the gift and interest provisions in the Act.

Approval of Attendance - In making a decision on attendance at an event, Council should consider:

1. who is providing the invitation or ticket to the event;
2. the location of the event in relation to the Shire of Derby/West Kimberley;
3. the role of the Elected Member or CEO when attending the event (participant, observer, presenter) and the value of their contribution;
4. whether the event is sponsored by the local government;
5. the benefit of Shire of Derby/West Kimberley's representation at the event;
6. the number of invitations/tickets received;
7. the cost to attend the event, including the cost of the ticket/s (or estimated value of the event per invitation) and any other expenses such as travel and accommodation; and
8. that it is not to restrict the ability to participate in Council meetings or to be used as a mechanism to avoid conflict of interest provisions where significant matters are likely to come before Council from the provider of the invitation.

Decisions to attend events in accordance with this Policy may be made by simple majority or by the CEO in accordance with any authorisation provided in this Policy.

Pre-Approved Events - In order to meet the requirements of this policy, tickets and invitations to events must be received by the CEO.

The Shire approves the attendance at the following events by Elected Members and the CEO:

1. Events where President or CEO representation has been formally requested;
2. Events that are Council approved events in accordance with agreed sponsorship pertaining to their application (e.g. Kimberley Art Event);
3. Meetings with the Shire of Derby/West Kimberley's clubs or organisations;
4. Ceremonies and functions hosted by the Shire of Derby/West Kimberley;
5. Sporting tournaments or events run by the Shire of Derby/West Kimberley;
6. Cultural Events and Festivals hosted by the Shire of Derby/West Kimberley;
7. Events run by schools within the Shire of Derby/West Kimberley;
8. The opening or launch of an event or facility within the Shire of Derby/West Kimberley;
9. Events with employees;
10. Events run by a Local, State or Federal Government; and
11. Not for Profit Association events.

Payments in Respect of Attendance - Where an invitation or ticket to an event is provided free of charge, the Shire of Derby/West Kimberley may contribute to appropriate expenses for attendances, such as travel and accommodation for events outside of the Shire if Council determines attendance to be of public value.

For any events where a member of the public is required to pay, Council should determine whether it is in the best interests of the Shire for an Elected Member or the CEO or another officer to attend on behalf of Council.

If Council determines that an Elected Member or the CEO should attend a paid event, the Shire is required to pay the cost of attendance and reasonable expenses, such as travel and accommodation.

Where partners of an authorised representative attend an event, any tickets for that person, if paid for by the Shire, are to be reimbursed by the representative unless expressly authorised by Council.

6.2 POLICY - ELECTED MEMBER AND EMPLOYEE TRAINING AND PROFESSIONAL DEVELOPMENT

File Number: 1

Author: Neil Hartley, Strategic Business Manager

Responsible Officer: Amanda O'Halloran, Chief Executive Officer

Authority/Discretion: Legislative

SUMMARY

The Shire of Derby/West Kimberley is required under the Local Government Act 1995 (Act), to adopt a training policy, and annually report on training attendance, of Elected Members. A recommendation is made to adopt a new Policy, "C2 - Elected Member and Employee Training and Professional Development" to meet that compliance requirement.

DISCLOSURE OF ANY INTEREST

Chief Executive Officer - Impartiality.

BACKGROUND

Amendments to the Local Government Act 2019 introduced a mandatory training requirement for Elected Members, to ensure they were provided with the necessary skills and resources to understand and carry out their role as local government Councillors.

Local Governments are also legislatively required to develop a policy related to "Elected Member Professional Development" and to publish that policy as well as an annual report on training undertaken by Elected Members, on the Shire's Website.

It is legislatively required that each Elected Member must complete the training in accordance with the Regulations (noting that Councillors who were already elected prior to the requirement coming into operation (vis. 9 Aug 2019) are exempt for their present term of office). The Minister has also advised that in light of COVID-19, and where practical difficulties present themselves, the Department has "deferred" compliance activities for these training requirements. No specific date for the delay was provided by the Minister at the time, but the rationale of the delay is assumed to have in the main been overtaken by the relaxation of the travel requirements imposed across Western Australia of earlier 2020.

Newly Elected Members of Shire of Derby/West Kimberley have almost completed their compulsory training.

STATUTORY ENVIRONMENT

S5.126 of the Local Government Act (Training for Council Members) requires that each council member must complete training in accordance with regulations.

S5.127 of the Local Government Act (Report on Training) requires that each financial year, a report must be prepared for the training completed by council members in that financial year.

The CEO must publish the report on the website by 31 July each year.

S5.128 of the Local Government Act (Policy for continuing professional development) requires that every WA local government must prepare and adopt (* *Absolute majority required*) a

policy in relation to the continuing professional development of council members. The Policy must comply with any prescribed requirements relating to the form or content of a policy under this section. The CEO must publish an up-to-date version of the policy on the Shire's official website.

The Council must at least review the policy after each ordinary election.

CL.35 of the Local Government (Administration) Regulations (Training for council members) requires that council members complete and pass (within 12 months of being elected) the *Council Member Essentials* course (and which consists of the following modules) -

- (i) Understanding Local Government;
- (ii) Serving on Council;
- (iii) Meeting Procedures;
- (iv) Conflicts of Interest; and
- (v) Understanding Financial Reports and Budgets

CL.36 of the Local Government (Administration) Regulations (Exemption Requirement) outlines that a person who is a council member on the day on which training requirement came into operation (vis. 9 Aug 2019) is exempt from the compulsory training requirement until the end of their term of office.

POLICY IMPLICATIONS

This Policy replaces existing policy *AF24 – Attendance at Conferences, Seminars and Training*.

Policy *C1 - Elected Member and Chief Executive Officer Attendance at Events and Functions* has some relevance (for example, payment of partner expenses).

FINANCIAL IMPLICATIONS

Future annual budgets must continue to accommodate at least sufficient funds for any newly elected Councillors to undertake the legislatively required course. An allocation in the order of \$10,000/Elected Member should be provided as costs will vary considerably dependent on the style and location of the course chosen (and if additional travel, accommodation and sustenance costs for course attendance away from the district are required).

CONSULTATION

As this Policy is specified by the Act and relates to requirements of the Elected Members' and CEOs' tenure, advertising the Draft Policy for public comment is not considered to be required. The Policy once adopted (and the Annual Councillors' Training Reports) must be displayed on the Shire's website.

COMMENT

The draft policy describes the Shire's approach to enabling Elected Members to meet their statutory obligations in relation to Elected Member training, and gives effect to the requirement to adopt a policy that reflects a culture of continuing professional development.

It is considered that the draft Policy meets the necessary legislative requirements, as well as provides sufficient guidance on elected member and employee training and professional development that is not of a statutory nature.

For ease of drafting, the existing policy (AF24 – Attendance at Conferences, Seminars and Training) is replaced by this new version. Relevant areas of the policy AF24 were retained where they are still applicable.

- 2. notes that the Policy will be added to the Shire’s Website, along with in July of each calendar year, the Annual Councillors’ Training Report; and**
- 3. requires that the Policy be represented to Council for review, within a reasonable period after each future ordinary bi-ennial election.**

C2 - ELECTED MEMBER AND EMPLOYEE TRAINING AND PROFESSIONAL DEVELOPMENT

OBJECTIVE

This Policy describes the Shire of Derby/West Kimberley's approach to enabling Elected Members to meet their Local Government Act obligations in relation to Elected Member training, and gives effect to the legislative requirement to adopt a continuing professional development Policy.

This Policy also provides guidance on training and professional development that is not of a statutory nature, by supporting the attendance by Elected Members and Employees at conferences, seminars and relevant training courses that contribute to their ongoing professional, skills, and knowledge development (and to detail the relevant expenses to be paid by the Shire associated with such attendance).

POLICY

Where the benefits to the Council, or the organisation, can be clearly identified, Council encourages and will fund the attendance of Elected Members and Employees at training events. Training can take several forms, including formal qualifications; and on and off-site short courses, events, seminars, and conferences.

Training is required to relate to the professional development of Shire of Derby/West Kimberley representatives. Training related to for example, local government leadership, town planning, strategic planning, financial management, corporate governance, risk management, conflict resolution, emergency management, and public sector management, are all considered to be relevant.

Where possible, training should be conducted through a Registered Training Organisation. Examples of organisations that provide training relating to the professional development of Elected Members and Employees, includes, but is not restricted to:

- Western Australian Local Government Association (WALGA);
- Australian Local Government Association (ALGA);
- Local Government Managers Australia (WA and national);
- Australian Institute of Management;
- Australian Institute of Company Directors; and
- Institute of Public Administration Australia.

Legislated Training for Elected Members

S5.126 of the Local Government Act (Training for Council Members) requires that each Elected Member must complete training in accordance with the Regulations. The Local Government (Administration) Regulations 1996 requires Elected Members to complete a 'Council Member Essentials' course consisting of five modules.

Training is required to be completed (and passed) by all Elected Members within 12 months of taking office and is valid for five years. Non-compliance with the requirements to complete training is an offence under the Act.

S5.127 of the Local Government Act (Report on Training) requires that each financial year, a report must be prepared for the training completed by Elected Members in that financial year. The CEO must publish this report on the Shire's website by the end of July of every year.

Following each ordinary election, Elected Members will be provided with information on training options from approved training providers. Elected Members will be able to select a training option to meet their learning style and availability.

Unless otherwise resolved by Council, training that an Elected Member is required to complete under section S5.126 of the Act will be paid for separately by the Shire and will not be subtracted from any budget allocation provided for additional (non-legislated) training for Elected Members.

Additional (Non-Legislated) Training and Professional Development for Elected Members

Subject to sufficient funds being available in the Shire's Budget for this purpose, Elected Members are encouraged to attend:

- Western Australian Local Government Association's (WALGA) Annual Local Government Week Convention;
- WALGA's Kimberley Zone Meetings;
- up to two separate conferences/seminars/training events of significant importance to the Shire each financial year;
- other relevant conferences or seminars in addition to the above, but only following a request being submitted by the Elected Member to the CEO, for presentation to Council for its consideration of approval; and
- ALGA's Annual National Assembly of Local Government (President and Deputy President only).

On return from any conference attended (excluding the Annual Local Government Week Conference and WA Local Government Association Kimberley Country Zone Meetings) Councillors shall provide a written report to Council on the benefits of attendance to them and the Council.

Councillor Authorisation to attend Conferences/Seminars/Training Events

To expedite consideration of attendance, training requests are to be submitted in the first instance, to the CEO. The CEO is authorised to approve, if considered to meet this Policy, Councillor applications to attend conferences/seminars/training events.

Where an Elected Member is seeking to attend more than two training events in a financial year, or an event outside of Australia, the request is required to be the subject of a separate report to Council for its consideration.

Where an Elected Member's request for training is declined by the CEO under this Policy, the member can require that the matter be referred to Council for determination.

Where the CEO considers special circumstances apply in relation to an Elected Member's training application, the CEO may refer the application to Council for consideration.

Elected Member Travel Arrangements and Acceptable Costs of Attendance

The cost of travel and accommodation, including meals and any other business related costs (e.g. telephone calls) for the Elected Member delegates shall be met by the Shire.

To best control expenditure, expenses are to be prepaid through the Shire's Purchase Order system or approved Corporate Purchasing/Credit Card, where practical.

The only Elected Member partner costs that will be met by the Shire will be for the relevant event's official function (e.g. Local Government Week Dinner).

Where travel by road is appropriate, Elected Members should utilise one of the Shire's fleet vehicles. Should a vehicle not be available, the use of a private vehicle to attend meetings or conferences in Broome and Fitzroy Crossing (and other areas when authorised by the CEO/Council) is permissible. Expense claims for the kilometres travelled are to be submitted to the CEO and payment will be made on rates per kilometre in accordance with Australian Taxation Office provisions. A contribution to fuel costs where an Elected Member travels with a third party will be considered on submission of a reimbursement claim with supporting receipts (noting that where travel is with a third party, a per kilometre claim for travel is not permitted).

A meal allowance in accordance with the Australian Taxation Office can be claimed (in lieu of actual meal costs expense claim). When meals are included and have been paid for as part of the attendance registration fee or accommodation costs, then claims for meals at alternative venues are not permitted.

A \$50.00 per night allowance can be claimed if in lieu of taking up the option of Shire funded accommodation, an Elected Member instead arranges to stay with family or friends.

Employees

Employee attendance at conferences/seminars/courses is considered to be an important component of their ongoing education and training, and the securing of operational benefits to the Shire and its community.

During the budget preparation process, the CEO shall propose an allocation of funds sought for conferences/seminars/courses for the ensuing financial year. Council's strategic consideration will be given to the budget request in the normal manner.

The Chief Executive Officer is thereafter responsible for managing the budgeted allocation in a responsible manner, and having in place an organisational training plan and an approvals process for staff wishing to undertake training and attending conferences, etc (including where an employee negotiates attendance at a conference, seminar or training courses as part of their salary package, that such arrangements may differ from this Policy).

If the CEO wishes to attend an event that is uniquely different from the budgeted proposal for the CEO's position, a prior application must be submitted to Council for its determination.

6.3 ELECTIONS (CARETAKER PERIOD) POLICY

File Number: 4160

Author: Neil Hartley, Strategic Business Manager

Responsible Officer: Amanda O'Halloran, Chief Executive Officer

Authority/Discretion: Administrative

SUMMARY

This report provides Council with a framework, through a draft Policy, to establish clear guidelines in relation to the activities of Council itself, Elected Members, Employees, and 'Candidates', during Federal, State, and Local Government election periods. The adoption of a Policy (as attached) will promote appropriate governance standards.

DISCLOSURE OF ANY INTEREST

Nil.

BACKGROUND

The Shire of Derby/West Kimberley has not previously had an *Elections – Caretaker Policy*, but they are common across Western Australian local governments and WALGA provides a useful "model" as a starting point.

Principally, the purpose of the policy is to ensure that the Council itself, Shire representatives, and councillor and employee 'Candidates', of Federal, State, and Local Government elections, have clarity around their activities during the 'Caretaker Period' prior to each government election.

The draft policy provided by the Western Australian Local Government Association, is specifically for local government elections, but has been modified to best suit the Shire of Derby/West Kimberley's needs.

The Policy promotes accountability and equity in the electoral process, particularly as it relates to local government elections, but also includes aligned shire representatives (Councillors and Employees) when they might nominate for election to other levels of government in Australia.

COMMENT

The implementation of caretaker provisions is supported with a foundation of good governance principles, like the Shire's Code of Conduct. This Policy will therefore further complement the Shire's evolving governance framework. Adoption of the Policy will ensure the Shire has a consistent approach to most other Local Governments who have adopted a similar policy since first being recommended by the Department of Local Government in 2013. The draft WALGA Policy has though, been modified to also capture other government elections (vis. State and Federal).

Local Government Candidates will be briefed on the new Policy during the bi-ennial election candidate information sessions, generally held in August/September of every second year.

1. Policy - Elections (Caretaker Period)

RECOMMENDATION

That Council adopt the attached Caretaker (Electoral Period) Policy.

Policy Objective

This Policy establishes protocols for the purpose of avoiding actual and perceived advantage or disadvantage to a candidate in a Government Election (**Federal, State, or Local**) through the use of public resources or decisions made by the Council or administration on behalf of the Shire of Derby/West Kimberley (Shire) during the 'Caretaker Period' prior to an election.

As the Policy captures all three levels of Australian Government election caretaker periods, not all components of this Policy will apply in respect to every election level. Application will be dependent on the circumstances that prevail for each particular election level.

Policy Scope

This policy applies to Council Members and Employees during a 'Caretaker Period' relevant to:

- (a) Decisions made by the Council;
- (b) Decisions made under delegated authority;
- (c) Decisions made administratively;

- (e) Discretionary community consultation;
- (f) Events and functions, held by the Shire or other organisations;
- (g) Use of the Shire's resources;
- (h) Access to information held by the Shire.

- (b) cause detriment to the strategic objectives of the Shire.

‘Significant Local Government Decision’ includes any decision:

- (a) Relating to the employment, remuneration or termination of the CEO or any other designated Senior Employee [s.5.37], other than a decision to appoint an Acting CEO, or suspend the current CEO (in accordance with the terms of their Contract of Employment), pending the Election Day result;

‘Caretaker Protocol’ means the practices or procedures prescribed in this Policy.

‘Public Consultation’ includes a process which involves an invitation to individuals, groups, organisations or the wider community to provide comment on a matter, proposed action or proposed policy which may be perceived as or is actually an electoral/campaign issue, but does not include statutory consultation/submission periods prescribed in a written law.

2.2 Council Reports Electoral Caretaker Period Policy Statement

2.2.1 Extenuating Circumstances

- (a) Details, if applicable, of options for what aspects of the decision are necessary to be made within the Caretaker Period and what aspects may be deferred until after the Caretaker Period.

3 Caretaker Period Protocols - Candidates

Candidates shall be provided with equitable access to the Shire's public information in accordance with s.5.94 of the *Local Government Act 1995*.

The CEO shall ensure that assistance and advice provided to candidates as part of the conduct of the election is provided equally to all candidates.

Candidates may access information and assistance regarding the Shire's operations and Council matters during a Caretaker Period, but only to the extent necessary to perform their

role as a Councillor and limited to matters currently relevant to the Shire [refer s.5.92 of *the Local Government Act 1995*].

3.2 Candidate Campaign Electoral Materials

Candidates should note that the Shire's official crest or logo may not be used in campaign Electoral Materials without the express permission of the Shire.

3.3 Local Government Candidate attendance at Local Government Meetings

To ensure equitable access to information about Council's decision making during a Caretaker Period, the CEO shall ensure that Candidates to local government elections (only) who are not sitting Council Members, are advised of Ordinary and Special Council Meetings (if open to the public) called and convened during a Caretaker Period; providing each Candidate with a copy of the meeting agenda at the time it is distributed to Council Members.

For the purposes of transparency and the benefit of the public gallery, Candidates are requested to identify themselves as an election candidate prior to asking a question or making a statement at a Council or Committee meeting.

4 Council Member Caretaker Period Protocols

4.1 Access to Information and Advice

During a Caretaker Period, Candidates and all other Council Members will scrupulously avoid using or accessing Shire information, resources or employee resources and expertise for the purpose of gaining electoral advantage or disadvantage relevant to their own candidacy or any other person's candidacy.

During a Caretaker Period, Candidates and all Council Member requests for information and advice from the Shire will be reviewed by the CEO and where the subject of the information or advice is considered as relating to an election campaign issue, the CEO will either make a determination, or refer the request for Council's determination, as to if the information or advice is/is not to be provided, including if information is provided to one Candidate, or if that information is also to be provided to all Candidates (i.e. including Candidates who are not current Council Members).

4.2 Media and Publicity

During a Caretaker Period, all Candidate and Council Member requests for media advice or assistance will be referred to the CEO for review.

The CEO will only authorise access to media advice or assistance where, in the CEO's opinion, the subject matter is relevant to the Shire's objectives or operations and is not related to an election campaign purpose or issue or to the Candidate, or the candidacy of another person.

4.3 Council Member Business Cards, Shire Printed Materials

Council Members must ensure that Shire business cards and Local Government printed materials are only used for purposes associated with their role as a Councillor, in accordance with section 2.10 of the *Local Government Act 1995*.

Council Members are prohibited from using Shire business cards or printed materials at any time, including times outside a Caretaker Period, for any election campaign purpose, either in support of their own candidacy or the candidacy of another person.

4.4 Council Member Participation in Events and Functions

During a Caretaker Period Council Members may continue to fulfil their role through attendance at events and functions hosted by external bodies.

- (a) Promoting Shire services and activities, where such promotions do not relate to an electoral campaign issue and would otherwise be undertaken as part of normal operations; and,
- (b) Conducting the Election and promoting Elector participation in the Election.

All other publicity and promotional activities of Shire initiatives will be, where reasonably practicable, avoided during the Caretaker Period, including the announcement of Significant Local Government Decisions, made prior to the commencement of a Caretaker Period or proposed to be made after a Caretaker Period.

The CEO may determine if Exceptional Circumstances apply and if a Significant Local Government Decision announcement is necessary during a Caretaker Period.

5.1 Civic Events and Functions

The Shire will avoid the scheduling of Civic Events and Functions during a Caretaker Period, which may give rise to any actual or perceived electoral advantage to Council Members who are Candidates.

Where the Shire is required to schedule a Civic Event or Function during a local government election Caretaker Period at which Council Members would usually be invited, then all Candidates to the local government election will also be invited to attend and will be acknowledged as candidates immediately following any acknowledgement provided to Council Members.

5.2 Shire Publications and Communications

4. Content posted by the public, candidates or Council Members on the Shire's social media channels, which is perceived as Candidate election campaign material or promotes a Candidate or candidates will be removed.

5.4 Community Consultation

The Shire will undertake planned community consultation (discretionary and legislative) during a Caretaker Period, unless the consultation relates to a Significant Local Government Decision or potentially contentious election campaign issue.

Remember - Policy implementation is given effect through induction, ongoing training and operational procedures that ensure Council Members and Employees are sufficiently informed of their obligations, responsibilities and accountabilities.
