**Against:** Nil

**CARRIED 9/0**

**31 Mar 2022 2:37pm Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 9 Dec 2021 To: 30 Jun 2023, Reason: Insurance changes can be accommodated by LGIS, but can generally only occur once each year, on policy renewal (end of financial year). Insurance change is also subject to Kimberley Mineral Sands and MPA Fish Farms lease clauses and commitments. It is hoped that a change to Removal of Debris Only insurance can be arranged to occur from 1 July 2023.

**05 Dec 2022 2:26pm Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 30 Jun 2023 To: 30 Jun 2023, Reason: KMS has agreed to fund the Replacement Value Insurance Premiums for the time being. Can revert to Removal of Debris Insurance once KMS ceases paying the premium.

**03 Apr 2023 8:40am Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 30 Jun 2023 To: 30 Jun 2024, Reason: KMS has agreed to fund the Replacement Value Insurance Premiums for the time being, with no change to that position anticipated until its Broome Road Train (Gubinge Road) application has been decided. Shire can revert to Removal of Debris Insurance once KMS ceases paying the premium.

**07 Aug 2023 10:57am Hartley, Neil - Target Date Revision**

Target date changed by Hartley, Neil from 30 June 2024 to 30 June 2024 - KMS is considering allowing the Shire to move from Replacement Value Insurance Removal of Debris Insurance. KMS will then cease paying that higher premium, to be replaced with its portion of the ROD insurance premium only. Next change option consideration is likely to be 30 June 2024, upon the consideration for renewal of the premium.

**15 Dec 2021 9:53am Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 23 Dec 2021 To: 31 Mar 2022, Reason: Letter forwarded to State Minister for Health. Awaiting meeting opportunity. Still need to finalise Funding Proposal with accurate asset management estimates (awaiting consultant engineering report).

**07 Feb 2022 7:28am Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 31 Mar 2022 To: 30 Jun 2022, Reason: Minister for Health has passed on to Minister for Transport. Requires ongoing lobbying of state government.

**03 Jun 2022 10:35am Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 30 Jun 2022 To: 30 Sep 2022, Reason: In ongoing discussions with Department of Transport. Asset Management Plans being prepared for DoT consideration to justify ongoing state support. \$1.5m(State - approved) + \$1.5m(Federal - awaiting confirmation) grants applied for to fund runway and apron area upgrade.

**07 Sep 2022 8:36am Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 30 Sep 2022 To: 30 Apr 2024, Reason: \$1.5m (State) + \$1.5m (Federal) grants secured. Project Manager appointed. Works to now be scheduled and tendered for construction to occur in 2023. Discussions continue with State Department of Transport on the longer term management/funding of FX Airport.

**17 Nov 2022 4:32pm Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 30 Apr 2024 To: 30 Apr 2024, Reason: Project is progressing. For example, the Funding Agreements have been executed by the parties; the Project Manager has been appointed. One of the grant pre-conditions, a Geotechnical Assessment has been organised and will be commenced on 28 November 2022. An independent assessment/peer review is also a grant pre-condition and the RFQ for for that service has now closed but the successful contractor has not as yet been selected.

**06 Feb 2023 8:35am Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 30 Apr 2024 To: 30 Apr 2024, Reason: Independent Reviewer appointed (grant pre-condition) (AMS Australia) and protocols settled for review to be undertaken; Geo Technical survey undertaken (grant pre-condition); Specifications and Tender Documents being prepared. Delays and logistical difficulties expected in light of Cyclone Ellie but no change to final completion date expected at this point in time.

**07 Mar 2023 2:47pm Hartley, Neil - Target Date Revision**

Revised Target Date changed by: Hartley, Neil From: 30 Apr 2024 To: 30 Apr 2025, Reason: Project now delayed by Cyclone Ellie and application for 12 months deferral submitted. Project will progress to Full Tender Specification stage, with the view to calling tenders at the earliest reasonable opportunity.

## 7.4 COMPLIANCE REPORTS - COUNCILLOR MEETING ATTENDANCE

**File Number:** 4262 - Status Reports  
**Author:** Sarah Smith, Executive Services Coordinator  
**Responsible Officer:** Amanda Dexter, Chief Executive Officer  
**Authority/Discretion:** Information

### SUMMARY

For the Committee to monitor councillor attendance at Ordinary Meetings of Council and Special Council Meetings to oversee compliance with the Local Government Act.

In accordance with regulation 14D of the Local Government (Administration) Regulations 1996 Council may approve the holding of any Ordinary or Special Council Meeting by electronic means (vis. telephone, video conference or other means of instantaneous communication).

Council cannot authorise more than half of its Council meetings, to be held electronically, in any rolling 12 months period.

A Councillor may attend council or committee meetings by electronic means if the member is authorised to do so by the President or the Council. Electronic means attendance can only be authorised for up to half of the Shire's in-person meetings they have attended in total, in any rolling 12 months prior period. Authorisation can only be provided if the location and the equipment to be used by the Councillor are suitable to enable effective, and where necessary confidential, engagement in the meeting's deliberations and communications.

### DISCLOSURE OF ANY INTEREST

Nil by Author and Responsible Officer.

### BACKGROUND

The Councillor Meeting Attendance Reports provides Council with accurate meeting attendance register and allows the Administration to monitor attendance by Councillors to ensure compliance with the Local Government Act 1995 and Local Government (Administration) – Amendment Regulations 2022.

### STATUTORY ENVIRONMENT

#### *Local Government Act 1995*

#### 2.25. Disqualification for failure to attend meetings

- (1) A council may, by resolution, grant leave of absence, to a member.
- (2) Leave is not to be granted to a member in respect of more than 6 consecutive ordinary meetings of the council without the approval of the Minister, unless all of the meetings are within a period of 3 months.
- (3A) Leave is not to be granted in respect of —
  - (a) a meeting that has concluded; or
  - (b) the part of a meeting before the granting of leave.

- (3) The granting of the leave, or refusal to grant the leave and reasons for that refusal, is to be recorded in the minutes of the meeting.
- (4) A member who is absent, without obtaining leave of the council, throughout 3 consecutive ordinary meetings of the council is disqualified from continuing his or her membership of the council, unless all of the meetings are within a 2 month period.
- (5A) If a council holds 3 or more ordinary meetings within a 2 month period, and a member is absent without leave throughout each of those meetings, the member is disqualified if he or she is absent without leave throughout the ordinary meeting of the council immediately following the end of that period.
- (5) The non-attendance of a member at the time and place appointed for an ordinary meeting of the council does not constitute absence from an ordinary meeting of the council —
  - (a) if no meeting of the council at which a quorum is present is actually held on that day; or
  - (b) if the non-attendance occurs —
    - (i) while the member has ceased to act as a member after written notice has been given to the member under section 2.27(3) and before written notice has been given to the member under section 2.27(5); or
    - (ii) while proceedings in connection with the disqualification of the member have been commenced and are pending; or
    - (iii) while the member is suspended under section 5.117(1)(a)(iv) or Part 8; or
    - (iiii) while the election of the member is disputed and proceedings relating to the disputed election have been commenced and are pending.
- (6) A member who before the commencement of the *Local Government Amendment Act 2009* section 5 was granted leave during an ordinary meeting of the council from which the member was absent is to be taken to have first obtained leave for the remainder of that meeting.

*[Section 2.25 amended: No. 49 of 2004 s. 19(1); No. 17 of 2009 s. 5; No. 31 of 2018 s. 5.]*

### **Local Government Act 1995 – Local Government (Administration) – Amendment Regulations 2022**

**Regulation 7** inserts additional provisions for meetings that are conducted entirely by electronic means under regulation 14D. Regulation 14D provides for a meeting of council or committee to be conducted by electronic means outside of a declared state of emergency. Regulation 14D(1) defines a relevant period in relation to the backward-looking test used to calculate how many electronic meetings a local government has conducted over the previous 12 months relative to the proposed meeting, and the 50% cap provided by regulation 14D(2A). Subsection 14D(2)(a)(ii) is amended to require the mayor, president or council to consider the requirements under subregulation 14D(2B) in deciding whether to conduct an electronic meeting. Regulation 14D(2B) requires the local government to consider the suitability of a person's location and their equipment with respect to effective communication and confidential matters during a meeting.

Regulation 14D(2A) applies the 50% cap to the number of electronic meetings that a local government (council) may authorise outside of an emergency situation under subregulation (2)(c) over a 12-month period. The backward-looking test used to determine how many meetings have

already been held by electronic means in the preceding 12 months applies in the same way it does for electronic attendance at in-person meetings.

Regulation 14D(2B) inserts the criteria that the authorising authority (the mayor, president or council) are required to consider before deciding to hold an electronic meeting. The authorising authority is required to consider each council or committee member’s ability to maintain confidentiality during closed parts of the meeting and the suitability of each person’s intended location and equipment to enable effective engagement in council deliberations. The authorising authority must have regard to these matters when deciding to hold and authorise electronic meetings. Electronic meetings held outside of emergency circumstances under subregulation 2(c) may only be approved by council.

Subregulations 14D(5)(a) and (b) insert subsections (6) to (8) that apply to closed parts of electronic meetings. Subsection (6) requires each member in attendance to make a declaration that they can maintain confidentiality during the closed part of the meeting. Subsection (7) requires that if a member makes a confidentiality declaration but is unable to maintain confidentiality subsequent to the declaration, they are required to leave prior to the closed part of the meeting. Subsection (8) requires a member’s declaration to be recorded in the meeting minutes.

**7.5 STATEMENT OF FINANCIAL ACTIVITY - AUGUST & SEPTEMBER 2023****File Number: 5179****Author: Lavenia Ratabua, Senior Finance Officer****Responsible Officer: Tamara Clarkson, Acting Director of Corporate Services****Authority/Discretion: Information****SUMMARY**

This report provides a summary of Council's financial position for the period ending 30 September 2023.

**DISCLOSURE OF ANY INTEREST**

Nil by Author or Responsible Officer.

**BACKGROUND**

Pursuant to section 6.4 of the *Local Government Act 1995* and regulation 34(4) of the *Local Government (Financial Management) Regulations 1996* (the Regulations), a Local Government is to prepare, on a monthly basis, a statement of financial activity that reports on the Shire's financial performance in relation to its adopted/amended budget.

The Shires Financial Reports are produced in accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996* as amended. Regulation 34 of the *Local Government (Financial Management) Regulations 1996* requires that Local Governments produce a monthly statement of financial activity and such other supporting information as is considered relevant by the Local Government.

The Shires financial reporting framework provides Council, management and employees with a broad overview of the Shire's wide financial position.

**STATUTORY ENVIRONMENT**

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5) of the *Local Government (Financial Management) Regulations 1996*, a report must be compiled on variances greater than the materiality threshold adopted by Council of \$30,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

**POLICY IMPLICATIONS**

F3 – Significant Accounting Policies

F4 – Sundry Debtors Collection

F5 – Outstanding Rates Collection

F13 – Reserve Accounts

F16 – Cash Flow Management

F17 – Investments

**FINANCIAL IMPLICATIONS**

Expenditure for the period ending has been incurred in accordance with the 2023/24 Annual Budget as adopted by Council at its meeting held 17 August 2023 (Resolution No. 79/23 refers) budget parameters, which have been structured on financial viability and sustainability principles.

Details of any budget variation in excess of \$30,000 (year to date) follow. There are no other known events which may result in a material non-recoverable financial loss or financial loss arising from an uninsured event.

**STRATEGIC IMPLICATIONS**

GOAL	OUR PRIORITIES	WE WILL
1. Leadership and Governance	1.2 Capable, inclusive and effective organisation	1.2.2 Provide strong governance

**RISK MANAGEMENT CONSIDERATIONS**

RISK	LIKELIHOOD	CONSEQUENCE	RISK ANALYSIS	MITIGATION
<p><b>Financial:</b></p> <p>The Shire is exposed to a number of financial risks. Most of these risks exist in respect to recurrent revenue streams which are required to meet current service levels. Any reduction in these revenue stream into the future is likely to have an impact on the Shire’s ability to meet service levels or asset renewal funding requirements, unless the Shire can replace this revenue or alternatively reduce costs.</p>	Possible	Moderate	Medium	The completion of the Monthly Financial Activity Statement report is a control that monitors this risk.

**CONSULTATION**

Internal consultation within the Corporate Services Department.

External consultation with Moore Australia.

**COMMENT**

Financial integrity is essential to the operational viability of the Shire but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels of comfort.

The ability for the Shire to remain financially sustainable is a significant strategy for a region that is continually under pressure from the pastoral industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services.

Any material variances are highlighted in the Operating Statement and included by way of note to the Operating Statement (as attached).

Attached to the Agenda is a copy of:

- Statement of Financial Activity by Nature and Type

Notes related to –

- Significant Accounting Policies
- Net Current Financial Position
- Capital – Acquisition, Funding and Disposal
- Cash and Investments
- Budget Amendments
- Trust Fund Movements
- Material Variances
- Grants and Contributions
- Rating Information
- Cash Backed Reserves
- Receivables
- Payables; and
- Summary Graphs.

Comments are required for variances that are more than 10% of budget or \$30,000 whichever is the greater.

**VOTING REQUIREMENT**

Dear Amanda

**MATTERS IDENTIFIED DURING COMPILATION OF STATUTORY MONTHLY FINANCIAL REPORT FOR THE PERIOD ENDED 31 AUGUST 2023**

We advise we have completed the compilation of your statutory monthly financial report for the period ended 31 August 2023 and identified certain matters we wish to bring to your attention.

We are required under APES 315 *Compilation of Financial Information* to report certain matters in our compilation report and we draw your attention to the note regarding basis of preparation. Other matters which arise during our compilation we wish to bring to your attention are raised in the following pages of this letter along with suggestions to resolve these issues.

It should be appreciated, our procedures are designed primarily to enable us to compile the monthly financial report and therefore may not bring to light all weaknesses in systems and procedures, or all financial matters of interest to management and council, which may exist. However, we aim to use our knowledge of the shire's financial operations gained during our work to make comments and suggestions, which, we hope, will be useful to you.

Should you wish to discuss any matter relating to our service or any other matter, please do not hesitate to contact us.

Yours sincerely

Shire of Derby/West Kimberley

Period ended 31 August 2023

Topic	Item	First Identified	Explanation	Action Required	Priority
General ledger	Allocations	August 2023	Flood related expenditure of \$2,027,392 has been expended as operating expenditure during the 23/23 financial year with no corresponding budget allocation.	We recommend reviewing allocations to confirm the expenditure is operating and not capital. Should the allocation be correct a budget amendment is required to authorise further expenditure.	High
Subsidiary ledgers	Outstanding	August 2023	Although we acknowledge a provision for impairment of \$374,162 exists, the debtors aged trial balance includes invoices totalling \$1,321,092 outstanding for over 90 days and debtors with credit balances totalling \$37,576. A significant portion of this receivable may be impaired at 30 June 2023.	We recommend reviewing overdue debtors collection procedures to ensure debtors outstanding for over 30 days are subject to regular review and reminder notices are issued to improve the collection rate. We recommend long outstanding debtors be reviewed to ensure they are still collectible. We recommend debtors with credit balances be investigated and remedied.	Medium
General Ledger	Allocations	July 2023	Transactions have been allocated to incorrect IE codes for the applicable account type. For example: Operating expenditure has been allocated to a revenue and capital IE Codes. The report has been adjusted to correct the nature and account type. Correcting journals have not yet been posted.	We recommend allocations are reviewed and corrected to accurately report transactions by nature.	Medium
General Ledger	Allocations	June 2023	The withholding tax liability account has a balance of \$3,666.	We recommend reviewing the balance sheet account and include the tax payable in BAS or reallocate amount if it does not relate to a tax liability.	Medium
Operating expenditure	Depreciation	July 2023	Depreciation has not been processed in 2023/24.	When the 2022/23 Annual Financial Report has been finalised depreciation will be processed.	Low
Funding Statements	Opening surplus	August 2023	At the time of preparing the attached Statement of Financial Activity, the Annual Financial Report has not been finalised, therefore the opening surplus may change from the current \$7,119,130 due to year end audit adjustments	None required.	Low

Mrs Amanda Dexter  
Chief Executive Officer  
Shire of Derby/West Kimberley  
PO Box 94  
**DERBY WA 6728**

Dear Amanda

**COMPILATION REPORT TO SHIRE OF DERBY/WEST KIMBERLEY**

We have compiled the accompanying special purpose financial report of Shire of Derby/West Kimberley which comprise the statement of financial position as at 31 August 2023, the statement of financial activity, notes providing statement of financial activity supporting information, explanation of material variances for the year then ended and a summary of material accounting policy information. These have been prepared in accordance with *Local Government Act 1995* and associated regulations as described in Note 1 to the financial report. The specific purpose for which the special purpose financial statements have been prepared is also set out in Note 1 of the financial report. We have provided the supplementary information Shire of Derby/West Kimberley as at 31 August 2023 and for the period then ended based on the records of Shire of Derby/West Kimberley

**THE RESPONSIBILITY OF SHIRE OF DERBY/WEST KIMBERLEY**

The CEO of Shire of Derby/West Kimberley is solely responsible for information contained in the special purpose financial report and supplementary information, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet their needs and for the purpose that the financial report was prepared.

**OUR RESPONSIBILITY**

On the basis of information provided by Shire of Derby/West Kimberley we have compiled the accompanying special purpose financial report in accordance with the requirements of *APES 315 Compilation of Financial Information* and the *Local Government Act 1995*, associated regulations and to the extent that they are not inconsistent with the *Local Government Act 1995*, the Australian Accounting Standards.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial report except for the matters of non-compliance with the basis of preparation identified with Note 1 of the financial report. We have complied with the relevant ethical requirements of *APES 110 Code of Ethics for Professional Accountants*.

Supplementary information attached to the financial report has been extracted from the records of Shire of Derby/West Kimberley and information presented in the special purpose financial report.

**ASSURANCE DISCLAIMER**

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial report was compiled exclusively for the benefit of Shire of Derby/West Kimberley who are responsible for the reliability, accuracy and completeness of the information used to compile them. Accordingly, the special purpose financial report may not be suitable for other purposes. We do not accept responsibility for the contents of the special purpose financial report.

**NOTE REGARDING BASIS OF PREPARATION**

We draw attention to Note 1 to the financial report where matters of non-compliance with the basis of preparation have been detailed. Supplementary information is provided for management information purposes and does not comply with the disclosure requirements of the Australian Accounting Standards.

**SHIRE OF DERBY-WEST KIMBERLEY  
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY  
FOR THE PERIOD ENDED 31 AUGUST 2023**

**1 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF PREPARATION**

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

**Local Government Act 1995 requirements**

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

*Local Government (Financial Management) Regulations 1996*, regulation 34 prescribes contents of the financial report. Supporting information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

**Matters of non-compliance with Basis of Preparation**

The following matters of non-compliance with the basis of preparation have not been corrected.

1. Depreciation is yet to be raised during the current financial year.
2. Balances as at 30 June 2023 have not been finalised and will be subject to change.

**THE LOCAL GOVERNMENT REPORTING ENTITY**

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement for those monies appear at Note 14 of the supplementary information.

**Judgements and estimates**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings and infrastructure
- estimated fair value of provisions

**SIGNIFICANT ACCOUNTING POLICIES**

Significant accounting policies utilised in the preparation of these statements are as described within the 2023-24 Annual Budget. Please refer to the adopted budget document for details of these policies.

**PREPARATION TIMING AND REVIEW**

Date prepared: All known transactions up to 11 October 2023

**KEY INFORMATION**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other

**SIGNIFICANT ACCOUNTING POLICIES**

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

**Initial recognition and measurement for assets held at cost**

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognise at fair value. Assets held at cost are depreciated and assessed for impairment annually.

**Initial recognition and measurement between mandatory revaluation dates for assets held at fair value**

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

**KEY INFORMATION**

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

**Classification and subsequent measurement**

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

**KEY INFORMATION**

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

**KEY INFORMATION**

**Provisions**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**Employee Related Provisions**

**Short-term employee benefits**

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

**Other long-term employee benefits**

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

**Contract liabilities**

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

**Capital grant/contribution liabilities**

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

Dear Amanda

**MATTERS IDENTIFIED DURING COMPILATION OF STATUTORY MONTHLY FINANCIAL REPORT FOR THE PERIOD ENDED 30 SEPTEMBER 2023**

We advise we have completed the compilation of your statutory monthly financial report for the period ended 30 September 2023 and identified certain matters additional to those identified in the compilation report we wish to bring to your attention.

We are required under APES 315 *Compilation of Financial Information* to report certain matters in our compilation report and we draw your attention to the note regarding basis of preparation. Other matters which arise during our compilation we wish to bring to your attention are raised in the following pages of this letter along with suggestions to resolve these issues.

It should be appreciated, our procedures are designed primarily to enable us to compile the monthly financial report and therefore may not bring to light all weaknesses in systems and procedures, or all financial matters of interest to management and council, which may exist. However, we aim to use our knowledge of the shire's financial operations gained during our work to make comments and suggestions, which, we hope, will be useful to you.

Should you wish to discuss any matter relating to our service or any other matter, please do not hesitate to contact us.

Yours sincerely

General ledger	Allocations	September 2023	Flood related expenditure of \$2,542,827 has been expended as operating expenditure during the 23/23 financial year with no corresponding budget allocation.	We recommend reviewing allocations to confirm the expenditure is operating and not capital. Should the allocation be correct a budget amendment is required to authorise further expenditure.	High
Subsidiary ledgers	Outstanding	September 2023	Although we acknowledge a provision for impairment of \$374,162 exists, the debtors aged trial balance includes invoices totalling \$1,675,816 outstanding for over 90 days and debtors with credit balances totalling \$44,517. A significant portion of this receivable may be impaired at 30 June 2023.	We recommend reviewing overdue debtors collection procedures to ensure debtors outstanding for over 30 days are subject to regular review and reminder notices are issued to improve the collection rate. We recommend long outstanding debtors be reviewed to ensure they are still collectible. We recommend debtors with credit balances be investigated and remedied.	Medium
General Ledger	Allocations	July 2023	Transactions have been allocated to incorrect IE codes for the applicable account type. For example: Operating expenditure has been allocated to a revenue and capital IE Codes. The report has been adjusted to correct the nature and account type. Correcting journals have not yet been posted.	We recommend allocations are reviewed and corrected to accurately report transactions by nature.	Medium
General Ledger	Allocations	June 2023	The withholding tax liability account has a balance of \$3,666.	We recommend reviewing the balance sheet account and include the tax payable in BAS or reallocate amount if it does not relate to a tax liability.	Medium
Operating expenditure	Depreciation	July 2023	Depreciation has not been processed in 2023/24.	When the 2022/23 Annual Financial Report has been finalised depreciation will be processed.	Low
Funding Statements	Opening surplus	August 2023	At the time of preparing the attached Statement of Financial Activity, the Annual Financial Report has not been finalised, therefore the opening surplus may change from the current \$7,119,130 due to year end audit adjustments	None required.	Low

**SHIRE OF DERBY-WEST KIMBERLEY  
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY  
FOR THE PERIOD ENDED 30 SEPTEMBER 2023**

**1 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF PREPARATION**

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

**Local Government Act 1995 requirements**

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

*Local Government (Financial Management) Regulations 1996*, regulation 34 prescribes contents of the financial report. Supporting information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

**Matters of non-compliance with Basis of Preparation**

The following matters of non-compliance with the basis of preparation have not been corrected.

1. Depreciation is yet to be raised during the current financial year.
2. Balances as at 30 June 2023 have not been finalised and will be subject to change.

**THE LOCAL GOVERNMENT REPORTING ENTITY**

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement for those monies appear at Note 14 of the supplementary information.

**Judgements and estimates**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings and infrastructure
- estimated fair value of provisions

**SIGNIFICANT ACCOUNTING POLICIES**

Significant accounting policies utilised in the preparation of these statements are as described within the 2023-24 Annual Budget. Please refer to the adopted budget document for details of these policies.

**PREPARATION TIMING AND REVIEW**

Date prepared: All known transactions up to 11 October 2023

**CURRENT AND NON-CURRENT CLASSIFICATION**

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

**KEY INFORMATION**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

**SIGNIFICANT ACCOUNTING POLICIES**

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

**Initial recognition and measurement for assets held at cost**

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognise at fair value. Assets held at cost are depreciated and assessed for impairment annually.

**Initial recognition and measurement between mandatory revaluation dates for assets held at fair value**

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

**KEY INFORMATION**

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

**Classification and subsequent measurement**

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

**KEY INFORMATION**

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

**KEY INFORMATION**

**Provisions**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**Employee Related Provisions**

**Short-term employee benefits**

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

**Other long-term employee benefits**

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

**Contract liabilities**

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

**Capital grant/contribution liabilities**

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.
