Disclaimer

No responsibility whatsoever is implied or accepted by Shire of Derby/West Kimberley (the Shire) for any act, omission or statement or intimation occurring during Council or Committee meetings.

The Shire disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or Committee meetings. Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee meeting does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any Council Member or officer of the Shire during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire.

The Shire warns that anyone who has any application lodged with the Shire must obtain and should only rely on written confirmation of the outcome of the application and any conditions attaching to the decision made by the Shire in respect of the application.

Notes for Members of the Public

PUBLIC QUESTION TIME

Shire of Derby/West Kimberley extends a warm welcome to you attending a Shire meeting. The Shire is committed to involving the public in its decision-making processes whenever possible. The ability to ask questions during 'Public Question Time' is of critical importance in pursuing this objective. The Shire sets aside a period of 'Public Question Time' to enable a member of the public to put forward questions to Council. Questions should only relate to the business of the Shire and should not be a statement or personal opinion. Upon receipt of a question from a member of the public, the Presiding Member may either answer the question, direct it to an officer to answer or it will be taken on notice.

Any comments made by a member of the public become a matter of public record as they are minuted by Council. Members of the public are advised that they are deemed to be held personally responsible and legally liable for any comments made by them that might be construed as defamatory or otherwise considered offensive by any other party.

MEETING FORMALITIES

Local Government Council meetings are governed by legislation and regulations. During the meeting, no member of the public may interrupt proceedings or enter into conversation. Members of the public shall ensure that any electronic devices or audible pager are switched off and not used during any Shire meeting.

Members of the public are hereby advised that the use of any electronic, visual or audio recording device or instrument to record proceedings of the meeting is not permitted without permission of the Presiding Member.

COPYRIGHT

Any plans or documents contained within this agenda may be subject to copyright law provisions (*Copyright Act 1968*, as amended) and that the express permission of the copyright owner(s) should be sought prior to their reproduction. It should be noted that copyright owners are entitled to take legal action against any persons who infringe their copyright. A reproduction of material that is protected by copyright may represent a copyright infringement.

Notes for Council Members

NATURE OF COUNCIL'S ROLE IN DECISION MAKING

Advocacy:	When Council advocates on its own behalf or on behalf of its community to another level of government/body/agency.
Executive/Strategic:	The substantial direction setting and oversight role of the Council such as adopting plans and reports, accepting tenders, directing operations, grants, and setting and amending budgets.
Legislative:	Includes adopting local laws, town planning schemes and policies.
Administrative:	When Council administers legislation and applies the legislative regime to factual situations and circumstances that affect the rights of people. Examples include town planning applications, building licences and other decisions that may be appealable to the State Administrative Tribunal.
Review:	When Council reviews a decision made by Officers.
Information:	Includes items provided to Council for information purposed only that do not require a decision of Council (that is for 'noting').

ALTERNATIVE MOTIONS

Council Members wishing to make alternative motions to officer recommendations are requested to provide notice of such motions in written form to the Chief Executive Officer prior to the Council meeting.

DECLARATIONS OF INTERESTS

Council Members should fill in Disclosure of Interest forms for items in which they have a financial, proximity or impartiality interest and forward these to the Presiding Member before the meeting commences.

Council Members must disclose the nature of their interest in matters to be discussed at the meeting (Part 5 Division 6 of the *Local Government Act 1995*). Employees must disclose the nature of their interest in reports or advice when giving the report or advice to the meeting (Sections 5.70 and 5.71 of the *Local Government Act 1995*).

APPLICATION FOR LEAVE OF ABSENCE

In accordance with Section 2.25 of the *Local Government Act 1995*, an application for leave requires a Council resolution granting leave requested. Council may grant approval for Leave of Absence for a Council Member for ordinary Council meetings for up to but not more than six consecutive meetings. The approval of the Minister is required for leave of absence greater than six ordinary Council meetings.

This approval must be by Council resolution and differs from the situation where a Council Member records their apologies for the meeting. A failure to observe the requirements of the Act that relates to absence from meetings can lead to a Council Member being disqualified should they be absent without leave for three consecutive meetings.

13.2 COUNCIL MEMBER CONFERENCE ATTENDANCE**File Number:** 4255**Author:** Tamara Clarkson, Chief Executive Officer**Responsible Officer:** Tamara Clarkson, Chief Executive Officer**Authority/Discretion:** Executive**SUMMARY**

To seek nominations and subsequent Council approval for travel and attendance to the WALGA Local Government Convention 2026 and Annual General Meeting (AGM) to be held 16 to 18 September 2026 at the Perth Convention and Exhibition Centre (PCEC).

DISCLOSURE OF ANY INTEREST

Nil by Author or Responsible Officer.

BACKGROUND

The below is Council's appointment to the formal external committee, WALGA Kimberley Zone:

Member: President McCumstie;

Deputy Member: Deputy President Kerrissa O'Meara; and

Proxy: Cr Adam Cornish and Cr Trish Gault.

STATUTORY ENVIRONMENT

Local Government Act 1995 Section 2.7 (Role of council) outlines that the Council governs the local government's affairs, and is responsible for the performance of the local government's functions. It is also charged with overseeing the allocation of the local government's finances and resources; and determine the local government's policies.

POLICY IMPLICATIONS

Council Member Training and Professional Development - This policy provides guidance on training and professional development that is not of a statutory nature, by supporting the attendance by Council Members at conferences, seminars and relevant training courses that contribute to their ongoing professional, skills, and knowledge development (and to detail the relevant expenses to be paid by the Shire associated with such attendance).

FINANCIAL IMPLICATIONS

The Annual Budget 2026/27 provides for attendance at conferences by Council Members and there are sufficient funds in the relevant budget accounts (2040109.2100 MEMBERS - Members Travel and Accommodation, and 2040104.2100 MEMBERS - Training & Development) to accommodate conference attendance and general disbursement requests of the travel outlined. Any additional Council Members that wish to attend the mentioned conferences can nominate at the council meeting as per discussion in the comments.

COMMENT

Attendance at conferences, forums and meetings are valuable learning and promotional opportunities. Conferences and forums are not only for information sharing but are also about the community and people who attend them. They are an opportunity to network with other Council Members, members of government and industry representatives who are generally from different geographical areas, technical backgrounds, and cultural experiences.

The positives seen for those attending the activities mentioned below include:

- Networking
- Opportunity to lobby and advocate
- Insight into latest trends
- Education, learning and improvement.

Council is being asked to support attendance at the following events by the President, Deputy President and nominated Council Members and their proxy.

WALGA Local Government Convention 2026 and AGM – 16 to 18 September 2026 at PCEC

In accordance with the Council Member Training and Professional Development policy, all Council Members are encouraged to attend the annual WALGA Local Government Convention and AGM.

- Preliminary costs to fly are approximately \$800.00 each way plus travel to Broome
- President McCumstie is proposing to drive a Shire vehicle to Perth and return, this will incur travel expenses of approximately \$2,249.00 (5,000km trip and 5 nights' accommodation).
- Accommodation \$450 per night (4 nights) dependent on meetings arranged around key Council priorities
- Conference attendance estimated at \$1,800.00 inclusive of formal events
- Disbursements as per policy

This report seeks to confirm Council Member attendance at the convention and requests Council consider nominating two Voting Delegates and two Proxy Voting Delegates for the WALGA Annual General Meeting 2026 to be held 17 September 2026.

The annual WALGA Local Government Convention is a landmark event in the sector's calendar. The 2026 theme is 'Tomorrow's World'.

Attendance at the Annual General Meeting can be undertaken by all representatives of the Shire. Voting Delegates are required to be registered by Tuesday 1 September 2026.

The Shire President and Deputy Shire President are generally the Council's nominated delegates to attend the conference and vote on motions on behalf of the Shire of Derby/West Kimberley Council, however if there are not enough Council Members available, the Council can nominate its Chief Executive Officer or have the Chief Executive Officer as a proxy.

14.1 STATEMENT OF FINANCIAL ACTIVITY MAY 2026

File Number: 5179

Author: Aaron Gloor, Manager Corporate Services

Responsible Officer: Jill Brazil, Director Corporate Services

Authority/Discretion: Legislative

SUMMARY

This report provides a summary of Council's financial position for the periods ending 31 May 2026.

DISCLOSURE OF ANY INTEREST

Nil by Author and Nil by Responsible Officer.

BACKGROUND

Local governments are required to prepare, on a monthly basis, a statement of financial activity that reports on the Shire's financial performance in relation to its adopted/amended budget.

The Shire's financial reporting framework provides Council, management and employees with a broad overview of the Shire's wide financial position.

STATUTORY ENVIRONMENT

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5) of the *Local Government (Financial Management) Regulations 1996*, a report must be compiled on variances greater than the materiality threshold adopted by Council of \$30,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

POLICY IMPLICATIONS

Significant Accounting Policy

Sundry Debtors Collection Policy

Outstanding Rates Collection Policy

Investments Policy

FINANCIAL IMPLICATIONS

Expenditure for the period ending has been incurred in accordance with the 2025/26 Annual Budget as adopted by Council (Commissioner) at its meeting held 18 June 2025 (COO58/25). The budget is structured on financial viability and sustainability principles.

STRATEGIC IMPLICATIONS

GOAL	OUR PRIORITIES	WE WILL
1. Leadership and Governance	1.2 Capable, inclusive and effective organisation	1.2.2 Provide strong governance

RISK MANAGEMENT CONSIDERATIONS

RISK	LIKELIHOOD	CONSEQUENCE	RISK ANALYSIS	MITIGATION
Financial: The Shire is exposed to a number of financial risks. Most of these risks exist in respect to recurrent revenue streams which are required to meet current service levels. Any reduction in these revenue stream into the future is likely to have an impact on the Shire's ability to meet service levels or asset renewal funding requirements, unless the Shire can replace this revenue or alternatively reduce costs.	Possible	Moderate	Medium	The completion of the Monthly Financial Activity Statement report is a control that monitors this risk.

CONSULTATION

COMMENT

Financial integrity is essential to the operational viability of the Shire but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels. The ability for the Shire to remain financially sustainable is a significant strategy for a region that is continually under pressure from the pastoral industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services. Any material variances are highlighted in the Operating Statement and included by way of note to the Operating Statement (as attached).

Priorities identified in the monthly reports are addressed in the following table.

Topic - Item	Explanation	Action Required	Shire Comment
Sundry Debtors	Although we acknowledge a provision for impairment of \$220,727, the sundry debtors aged trial balance includes totalling \$365,819.34 outstanding for over 90 days with some more than 500 days old. Credit balances total \$2,721.16.	We recommend reviewing overdue debtors collection procedures to ensure debtors outstanding for over 30 days are subject to regular review and reminder notices are issued to improve the collection rate. We recommend debtors with credit balances be investigated and remedied.	Debtors are regularly reviewed; this balance is largely comprised of two large invoices that are subject to ongoing consultation and collection activity. Officers have set a final 30 June deadline for all outstanding sundry debt. Any debt that remains outstanding after this date will be referred to our debt collection agency.
Capital expenditure - Allocations	Transactions have been allocated to capital expenditure without budget allocations for 2025/26.	We recommend allocations are reviewed and adjusted (where appropriate) to ensure correct allocations for capital acquisitions. Controls are required to ensure the legislative requirement for unbudgeted expenditure to be authorised in advance by Council are met.	Corrections to these allocations has been an ongoing process through the budget amendments and end of year finalisation. All allocations will be corrected for the Annual Financial Statements.
Disposal of assets	Disposal of vehicles have not been processed through the asset register, profit or loss has not been recognised on this sale. Proceeds from the sale of vehicles has been recognised as other income. We have amended on the face of the statements.	We recommend disposals be processed through the asset register and the associated profit or loss recorded to ensure the accurate reporting of the financial statements.	The most recent asset disposal has been processed correctly to May. Moore have been asked to provide further detail on this identified matter.

Dear Tamara

COMPILATION REPORT TO SHIRE OF DERBY/WEST KIMBERLEY

We have compiled the accompanying special purpose financial report of Shire of Derby/West Kimberley which comprise the statement of financial position as at 31 May 2026, the statement of financial activity, notes providing statement of financial activity supporting information, explanation of material variances for the year then ended and a summary of material accounting policy information. These have been prepared in accordance with *Local Government Act 1995* and associated regulations as described in Note 1 to the financial report. The specific purpose for which the special purpose financial statements have been prepared is also set out in Note 1 of the financial report. We have provided the supplementary information of Shire of Derby/West Kimberley as at 31 May 2026 and for the period then ended based on the records of the Shire of Derby/West Kimberley.

THE RESPONSIBILITY OF SHIRE OF DERBY/WEST KIMBERLEY

The CEO of Shire of Derby/West Kimberley is solely responsible for information contained in the special purpose financial report and supplementary information, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet their needs and for the purpose that the financial report was prepared.

OUR RESPONSIBILITY

On the basis of information provided by Shire of Derby/West Kimberley we have compiled the accompanying special purpose financial report in accordance with the requirements of *APES 315 Compilation of Financial Information* and the *Local Government Act 1995*, associated regulations and to the extent that they are not inconsistent with the *Local Government Act 1995*, the Australian Accounting Standards.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial report except for the matters of non-compliance with the basis of preparation identified with Note 1 of the financial report. We have complied with the relevant ethical requirements of *APES 110 Code of Ethics for Professional Accountants*.

Supplementary information attached to the financial report has been extracted from the records of Shire of Derby/West Kimberley and information presented in the special purpose financial report.

ASSURANCE DISCLAIMER

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial report was compiled exclusively for the benefit of Shire of Derby/West Kimberley who are responsible for the reliability, accuracy and completeness of the information used to compile them. Accordingly, the special purpose financial report may not be suitable for other purposes. We do not accept responsibility for the contents of the special purpose financial report.

NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 31 MAY 2026**

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 18 June 2026

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

MATERIAL ACCOUNTING POLICIES

Material accounting policies utilised in the preparation of these statements are as described within the 2025-26 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Impairment losses of non-financial assets
- Measurement of employee benefits
- Measurement of provisions

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 8 - Other assets.

KEY INFORMATION

Initial recognition

An item of property, plant and equipment or infrastructure that qualifies for recognition as an asset is measured at its cost.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Local Government (Financial Management) Regulation 17A(5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a large asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Individual assets that are land, buildings and infrastructure acquired between scheduled revaluation dates of the asset class in accordance with the Shire's revaluation policy, are recognised at cost and disclosed as being at reportable value.

Measurement after recognition

Plant and equipment including furniture and equipment and right-of-use assets (other than vested improvements) are measured using the cost model as required under *Local Government (Financial Management) Regulation 17A(2)*. Assets held under the cost model are carried at cost less accumulated depreciation and any impairment losses being their reportable value.

Reportable Value

In accordance with *Local Government (Financial Management) Regulation 17A(2)*, the carrying amount of non-financial assets that are land and buildings classified as property, plant and equipment, investment properties, infrastructure or vested improvements that the local government controls.

Reportable value is for the purpose of *Local Government (Financial Management) Regulation 17A(4)* is the fair value of an asset at its last valuation date minus (to the extent applicable) the accumulated depreciation and any accumulated impairment losses in respect of the non-financial asset subsequent to its last valuation date.

Amounts shown above include GST (where applicable)

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

KEY INFORMATION

Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Inventory

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

The Shire has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

KEY INFORMATION

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee related provisions

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

Dear Tamara

**MATTERS IDENTIFIED DURING COMPILATION OF STATUTORY MONTHLY FINANCIAL REPORT FOR
THE PERIOD ENDED 31 MAY 2026**

We advise we have completed the compilation of your statutory monthly financial report for the period ended 31 May 2026 and identified certain matters additional to those identified in the compilation report we wish to bring to your attention.

We are required under APES 315 *Compilation of Financial Information* to report certain matters in our compilation report and we draw your attention to the note regarding basis of preparation. Other matters which arise during our compilation we wish to bring to your attention are raised in the following pages of this letter along with suggestions to resolve these issues.

It should be appreciated, our procedures are designed primarily to enable us to compile the monthly financial report and therefore may not bring to light all weaknesses in systems and procedures, or all financial matters of interest to management and council, which may exist. However, we aim to use our knowledge of the shire's financial operations gained during our work to make comments and suggestions, which, we hope, will be useful to you.

Should you wish to discuss any matter relating to our service or any other matter, please do not hesitate to contact us.

Yours sincerely

Russell Barnes

Capital expenditure	Allocations	December 2025	Transactions have been allocated to capital expenditure without budget allocations for 2025/26.	We recommend allocations are reviewed and adjusted (where appropriate) to ensure correct allocations for capital acquisitions. Controls are required to ensure the legislative requirement for unbudgeted expenditure to be authorised in advance by Council are met.	Medium
Sundry debtors	Outstanding	May 2026	Although we acknowledge a provision for impairment of \$220,727, the sundry debtors aged trial balance includes totalling \$365,819.34 outstanding for over 90 days with some more than 500 days old. Credit balances total \$2,721.16.	We recommend reviewing overdue debtors collection procedures to ensure debtors outstanding for over 30 days are subject to regular review and reminder notices are issued to improve the collection rate. We recommend debtors with credit balances be investigated and remedied.	Medium

15.1 APPLICATION TO INSTALL A GRID ON TABLELANDS ROAD BY AUSTRALIAN WILDLIFE CONSERVANCY

File Number: 8125

Author: Wayne Neate, Director Infrastructure

Responsible Officer: Tamara Clarkson, Chief Executive Officer

Authority/Discretion: Review

SUMMARY

This report seeks Council to consider the application to install a grid on the Tablelands Road by Australian Wildlife Conservancy (AWC).

DISCLOSURE OF ANY INTEREST

Nil Author and Nil by Responsible Officer.

BACKGROUND

AWC is seeking to replace the existing gate on the Tablelands Road between their Mornington and Tableland leases (-17.257 299, 126.749 187) with a single-lane rated stock grid.

The purpose of the grid is to better manage stock movement between the Mornington and Tableland leases. Tablelands Road provides access to Yulmbu community and general public whereby the existing gate is frequently left open, causing difficulties in stock management from the increased risk of uncontrolled stock movement between leases. Installation of the proposed single-lane stock grid will be engineered and rated suitable for heavy traffic.

STATUTORY ENVIRONMENT

Approval is required as it the proposal is on a public road controlled by the Shire.

POLICY IMPLICATIONS

Nil.

FINANCIAL IMPLICATIONS

There are no cost implications to Shire of Derby/West Kimberley as all costs of installation and ongoing maintenance is proposed to be the responsibility of AWC, who has confirmed in writing that they are prepared to do so. Officers note the GPS location of the grid and note that they are owned by AWC and not the Shire for future reference and prevent costs potentially trying to be attributed to the Shire for any maintenance or upgrades.

STRATEGIC IMPLICATIONS

GOAL	OUR PRIORITIES	WE WILL
4. Environment	4.2 Liveable Communities	4.2.3 Encourage and facilitate the maintenance and development of infrastructure that connects our communities

RISK MANAGEMENT CONSIDERATIONS

RISK	LIKELIHOOD	CONSEQUENCE	RISK ANALYSIS	MITIGATION
Reputation: Council may receive some public adverse commentary if the grid is not approved.	Unlikely	Minor	Low	Council approves the installation of the grid with all costs being borne by AWC

CONSULTATION

Australian Wildlife Conservancy.

COMMENT

AWC are trying to control stock movements between their leases and the installation of the grid will assist in the process.

The new grid will support this process, place a permanent control on the roadway rather than gates that can be left open and allow ease of movement of traffic without gates in place. AWC are also meeting all costs of installation and future maintenance of the grid.

VOTING REQUIREMENT

Simple majority

ATTACHMENTS

2. AWC - engineering details of grid
3. Map location of Grid - SLK 82.24

RECOMMENDATION

That Council:

1. **APPROVE** the installation of a new grid on Tablelands Road; and
2. **DIRECT** the Chief Executive Officer to write to Australian Wildlife Conservancy with advice of the approval noting that all costs of the installation, ongoing maintenance and future replacement be the sole responsibility of Australian Wildlife Conservancy.

Subject: AWC Request for approval – replacement of gate with stock grid on Tableland access road
Attachments: Tableland stock grid AS5100 Eng Cert - DMROE(2.45)(2.1) 20t Axle Loads.pdf

Hi Wayne,

cc Pete and Paul

As discussed on the phone last month, I am writing to seek Shire approval for AWC to replace the existing gate on the public access Tableland Road between the Mornington and Tableland leases (-17.257 299, 126.749 187) with a single-lane rated stock grid.

The purpose of the grid is to better manage stock movement between the Mornington and Tableland leases. As this road also provides access to Yulmbu community and general public access, the current gate is frequently left open, which is making stock management difficult and increasing the risk of uncontrolled movement between leases.

AWC is proposing to install the grid this year, subject to Shire approval. The proposed grid is an engineered and rated single-lane stock grid suitable for heavy traffic. Engineering certificate and supplier specifications attached and listed below for review.

For clarity:

- AWC would wear all cost for purchase and install of grid,
- the asset would be owned by AWC;
- AWC would be responsible for ongoing maintenance of the grid; and
- maintenance would be incorporated into AWC's annual grading and road maintenance program.

Specifications - **DMR Grid** (20 ton per axle):

- Extra heavy duty for main shire roads and highways
- Prefabricated - Fully Assembled grid
- Removable 1st grade Aust made steelworks.
- Engineer designed & rated (see attached)
- Galvanised Steel Capped 40mpa Precast Concrete abutment.
- Standard Sides Included

Please let me know if the Shire requires any further information, specifications, drawings or approvals documentation to assess this request.

Kind regards,

Skye
