CARRIED 6/0**12 ANNOUNCEMENTS BY PRESIDING PERSON WITHOUT DISCUSSION**

At 11.07am during consideration of this item, Ms Divina D'Anna MLA joined the meeting.

"Since my report to Council last month, I have continued to respond to questions and requests from members of our community, various departments of government and working with our political representatives for our region.

With Western Australia Local Government Association (WALGA) Local Government week this month and attendance at the convention by Deputy President O'Meara, Cr Cornish, Cr Gault, Cr Ross, Chief Executive Officer Tamara Clarkson and myself, my report this month is brief and relates to my participation in events relating to my role as Shire President.

Firstly though, I take this opportunity to congratulate and recognise the achievement of Councillor Gault in being one of only three Council Members in Western Australia to receive the Kelly Dodd Scholarship Award which partly funds her Diploma in Local Government studies and was presented at the WALGA Annual General Meeting last week. On behalf of the Shire, congratulations Trish!

I attended the forum for Mayors and Presidents on the first day of the WALGA Local Government Convention which was opened and addressed by Cr Mark Irwin, WALGA President and Nick Sloan WALGA Chief Executive Officer. Items raised and discussions ranged around;

- Concerns around the time being required for the Local Government Monitor and Inspector process for the issues at the City of Perth to be resolved. Mainly queries about process and time.*
- Audit, Risk and Improvement Committee processes and need for independent Chair and Deputy, noting the Minister for Local Government subsequently has announced removal of the position of Deputy Independent Member*
- Compulsory voting noting this was subsequently advised that this was not being pursued in Local Government reforms.*
- Full spill of Councils (local government election reforms), subsequently announced by the Minister for Local Government that this will commence from 2031. There was much*

discussion about this and the concerns that may result in inexperienced councils and possible difficulties with future nominations for councils.

On Wednesday 16 September 2026, our CEO and I attended the North West Defence Alliance (NWDA) meeting. In attendance were several Royal Australian Air Force and Navy personnel who delivered a briefing on what is currently happening in the arena of ramping up the defence posture and capability of Australia. The current Chair of the NWDA, Matt Nikkula, the Shire of Exmouth President is standing down and after some discussion it was resolved that election nomination forms will be distributed to all paid up members for the chairperson position and the deputy chair position as the current deputy has indicated that he will be nominating for the Chair position. A copy of the minutes will be distributed to all Councillors once received.

*Along with our Council Members present, we attended the various workshops and events held at the conference and now that we have returned home, I look forward to hearing more of their thoughts and learnings from the event. - **President Peter McCumstie***

Following Item 12, the Presiding Member returned to Item 8.2 Public Statements to provide Ms Divina D'Anna MLA (Member for Kimberley) the opportunity to address Council.

At 11.11am Lateisha Ozies left the meeting.

8.2 Public Statements (revisited)

***Ms Divina D'Anna, Member for Kimberley** welcomed the opportunity to attend a Council Meeting in Fitzroy Crossing and acknowledged the recent Western Australian Local Government Association (WALGA) Local Government Convention 2026.*

Ms D'Anna advised she was aware of concerns raised by local governments regarding proposed local government reforms and encouraged the Shire to continue advocating through WALGA. She indicated her willingness to raise and discuss matters affecting local governments with the Minister for Local Government where appropriate noting her primary focus was on issues affecting the Kimberley region.

Ms D'Anna noted her intention for attending the meeting was listen to the priorities of the community and Council and she invited Council to provide any relevant updates on local matters and emerging issues within the Shire.

The Presiding Member thanked Ms D'Anna for her attendance and address.

The meeting then resumed at Item 13.

REPORTS**14 EXECUTIVE SERVICES****14.1 END OF YEAR CLOSURE 2026/27****File Number: 4150****Author: Tamara Clarkson, Chief Executive Officer****Responsible Officer: Tamara Clarkson, Chief Executive Officer****Authority/Discretion: Administrative****SUMMARY**

This report seeks approval for the closure of the Shire's operations over the Christmas and New Year period for 2026/27. To cover the days in addition to public holidays during the closure recommended in this report, employees will be required to take seven days of leave. The arrangement allows employees to travel to spend the festive season with loved ones if they are able to, assists with the ongoing management of employee leave liability and has been generally well accepted by the community.

DISCLOSURE OF ANY INTEREST

Nil by Author and Responsible Officer.

BACKGROUND

In rural and regional local governments, it is an accepted practice for employees to take leave at Christmas and New Year resulting in the suspension of Shire operations to all but essential services for the period of leave.

If this arrangement is accepted by Council, the Senior Management Group will develop a contingency plan to ensure essential services are adequately delivered to the community and suitable public notice regarding closures will be provided to minimise any inconvenience.

Apart from normal public holiday arrangements, employees take the intervening days as annual leave, or if available, time in lieu or leave without pay. The employee may only return to work to carry out set tasks as negotiated with their Director/Manager.

The Derby and Fitzroy Crossing waste management facilities are managed by a third party and are closed on Christmas Day. Accordingly, no kerbside collection occurs on Christmas Day (this is a contractual arrangement).

POLICY IMPLICATIONS

Nil.

FINANCIAL IMPLICATIONS

Nil. Employees will be required to take leave to cover payment of wages on days that are not public holidays.

STRATEGIC IMPLICATIONS

RISK MANAGEMENT CONSIDERATIONS

RISK	LIKELIHOOD	CONSEQUENCE	RISK ANALYSIS	MITIGATION
Business Interruption: Ability to respond to unplanned event.	Possible	Moderate	Low	Advertise closure to the community. A roster and contact details for critical employees will be developed to ensure resources are available if required.

CONSULTATION

Adequate notice of closure will be provided to the public to further minimise any disruptions. This will include advertising on the door of the administration building, notice boards, Facebook page and website leading up to the closure period.

COMMENT

The success of previous closures has occurred as key contact lists for critical employees in the event of an emergency has been developed. An informal rostering of key personnel occurs ensuring there are employees available in town should they be required, with a skeleton works crew undertaking essential services.

The Chief Executive Officer will remain in Derby for the entire period, and is the contact person in case of emergency.

14.2 COUNCIL MEETING DATES FOR 2027**File Number: 4150****Author: Tamara Clarkson, Chief Executive Officer****Responsible Officer: Tamara Clarkson, Chief Executive Officer****Authority/Discretion: Administrative****SUMMARY**

This report sets out proposed dates for the 2027 calendar year, taking into consideration other relevant commitments of Council.

DISCLOSURE OF ANY INTEREST

Nil by Author or Responsible Officer.

BACKGROUND

Requirements around “electronic meetings” were introduced and the 30 March 2023 Council dealt with that matter of attendance at meetings by electronic means. It resolved to *“consider at the time of setting the Council/Committee Meeting Schedule, whether to allocate any of those meetings (up to the 50% cap) as electronic meetings”*.

STATUTORY ENVIRONMENT

Local Government (Administration) Regulations 1996 – Regulation 12 (Publication of meeting details) outlines that the CEO must publish on the local government’s official website the meeting details for the following meetings before the beginning of the year including the dates, times, and places at which ordinary council, and committee meetings that are required to be open to the public, are to be held in the next twelve months.

Local Government (Administration) Regulations 1996 – 14D (Meetings held by electronic means) outlines that Council can determine that up to a maximum of 50% of its Council meetings, and its Committee meetings that are required to be open to the public, be held by electronic means.

Public Notice will be provided following decision of Council.

COMMENT

With regard to the December 2027 meeting, it is proposed to hold the Ordinary Council Meeting on 9 December 2027, as opposed to the usual schedule to ensure availability of Council Members in the Christmas holiday period.

Audit, Risk and Improvement meetings are held quarterly. The purpose of the Committee is to facilitate:

- Compliance with laws and regulations with reference to best practice guidelines relative to auditing, risk management, internal control and legislative compliance;
- The provision of an effective means of communication between the external auditor, the CEO and Council;
- Integrated Planning review and adoption; and
- Policy review and adoption.

The Audit, Risk and Improvement Committee meeting can be attended by all Council Members.

Presentations and Briefing Workshops: This meeting is to allow Council Members to receive presentations and briefings, as well as seek additional information from Officers on Shire projects. The meeting does not make decisions and can be attended by all Council Members.

The Presentations and Briefing Workshops are held the first and second Thursday of each month.

Agenda Briefing: This meeting is to allow Council Members to informally view a draft agenda for the Ordinary Council meeting, seek clarification and ask questions. The meeting is bound by the same requirements regarding declarations and interests but does not make decisions and can be attended by all Council Members.

Agenda Briefing is held the third Thursday of the month.

Local Government Week held annually in Perth in September should be taken into consideration when adopting Council Meeting dates for the 2027 calendar year.

The next Ordinary Election will be held Saturday 16 October 2027.

15 CORPORATE SERVICES**15.1 STATEMENT OF FINANCIAL ACTIVITY JULY 2026**

File Number: 5179

Author: Jill Brazil, Director Corporate Services

Responsible Officer: Tamara Clarkson, Chief Executive Officer

Authority/Discretion: Legislative

SUMMARY

This report provides a summary of Council's financial position for the periods ending 31 July 2026.

DISCLOSURE OF ANY INTEREST

Nil by Author and Nil by Responsible Officer.

BACKGROUND

Local governments are required to prepare, on a monthly basis, a statement of financial activity that reports on the Shire's financial performance in relation to its adopted/amended budget.

The Shire's financial reporting framework provides Council, management and employees with a broad overview of the Shire's wide financial position.

STATUTORY ENVIRONMENT

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5) of the *Local Government (Financial Management) Regulations 1996*, a report must be compiled on variances greater than the materiality threshold adopted by Council of \$30,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

POLICY IMPLICATIONS

Significant Accounting Policy

Sundry Debtors Collection Policy

Outstanding Rates Collection Policy

Investments Policy

FINANCIAL IMPLICATIONS

Expenditure for the period ending has been incurred in accordance with the Annual Budget 2026/27 as adopted by Council at its meeting held 25 June 2026 (Resolution 74/26). The budget is structured on financial viability and sustainability principles.

STRATEGIC IMPLICATIONS

GOAL	OUR PRIORITIES	WE WILL
1. Leadership and Governance	1.2 Capable, inclusive and effective organisation	1.2.2 Provide strong governance

RISK MANAGEMENT CONSIDERATIONS

RISK	LIKELIHOOD	CONSEQUENCE	RISK ANALYSIS	MITIGATION
Financial: The Shire is exposed to a number of financial risks. Most of these risks exist in respect to recurrent revenue streams which are required to meet current service levels. Any reduction in these revenue stream into the future is likely to have an impact on the Shire's ability to meet service levels or asset renewal funding requirements, unless the Shire can replace this revenue or alternatively reduce costs.	Possible	Moderate	Medium	The completion of the Monthly Financial Activity Statement report is a control that monitors this risk.

CONSULTATION

COMMENT

Financial integrity is essential to the operational viability of the Shire but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels. The ability for the Shire to remain financially sustainable is a significant strategy for a region that is continually under pressure from the pastoral industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services. Any material variances are highlighted in the Operating Statement and included by way of note to the Operating Statement (as attached).

Priorities identified in the monthly reports are addressed in the following table.

Dear Tamara

COMPILATION REPORT TO SHIRE OF DERBY/WEST KIMBERLEY

We have compiled the accompanying special purpose financial report of Shire of Derby/West Kimberley which comprise the statement of financial position as at 31 July 2026, the statement of financial activity, notes providing statement of financial activity supporting information, explanation of material variances for the year then ended and a summary of material accounting policy information. These have been prepared in accordance with *Local Government Act 1995* and associated regulations as described in Note 1 to the financial report. The specific purpose for which the special purpose financial statements have been prepared is also set out in Note 1 of the financial report. We have provided the supplementary information of Shire of Derby/West Kimberley as at 31 July 2026 and for the period then ended based on the records of the Shire of Derby/West Kimberley.

THE RESPONSIBILITY OF SHIRE OF DERBY/WEST KIMBERLEY

The CEO of Shire of Derby/West Kimberley is solely responsible for information contained in the special purpose financial report and supplementary information, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet their needs and for the purpose that the financial report was prepared.

OUR RESPONSIBILITY

On the basis of information provided by Shire of Derby/West Kimberley we have compiled the accompanying special purpose financial report in accordance with the requirements of *APES 315 Compilation of Financial Information* and the *Local Government Act 1995*, associated regulations and to the extent that they are not inconsistent with the *Local Government Act 1995*, the Australian Accounting Standards.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial report except for the matters of non-compliance with the basis of preparation identified with Note 1 of the financial report. We have complied with the relevant ethical requirements of *APES 110 Code of Ethics for Professional Accountants*.

Supplementary information attached to the financial report has been extracted from the records of Shire of Derby/West Kimberley and information presented in the special purpose financial report.

ASSURANCE DISCLAIMER

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial report was compiled exclusively for the benefit of Shire of Derby/West Kimberley who are responsible for the reliability, accuracy and completeness of the information used to compile them. Accordingly, the special purpose financial report may not be suitable for other purposes. We do not accept responsibility for the contents of the special purpose financial report.

NOTE REGARDING BASIS OF PREPARATION

We draw attention to Note 1 to the financial report where matters of non-compliance with the basis of preparation have been detailed. Supplementary information is provided for management information purposes and does not comply with the disclosure requirements of the Australian Accounting Standards.

NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 31 JULY 2026**

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied with exception to the following:

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 31 August 2026

Matters of non-compliance with Basis of Preparation

The following matters of non-compliance with the basis of preparation have not been corrected.

1. Balances as at 30 June 2026 have not been audited and may be subject to change.
2. Depreciation has not been raised during the current financial year.

The local government reporting entity

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

Material accounting policies

Material accounting policies utilised in the preparation of these statements are as described within the 2026-27 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Impairment losses of non-financial assets
- Measurement of employee benefits
- Measurement of provisions

KEY INFORMATION

Initial recognition

An item of property, plant and equipment or infrastructure that qualifies for recognition as an asset is measured at its cost.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Local Government (Financial Management) Regulation 17A(5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Individual assets that are land, buildings and infrastructure acquired between scheduled revaluation dates of the asset class in accordance with the Shire's revaluation policy, are recognised at cost and disclosed as being at reportable value.

Measurement after recognition

Plant and equipment including furniture and equipment and right-of-use assets (other than vested improvements) are measured using the cost model as required under *Local Government (Financial Management) Regulation 17A(2)*. Assets held under the cost model are carried at cost less accumulated depreciation and any impairment losses being their reportable value.

Reportable Value

In accordance with *Local Government (Financial Management) Regulation 17A(2)*, the carrying amount of non-financial assets that are land and buildings classified as property, plant and equipment, investment properties, infrastructure or vested improvements that the local government controls.

Reportable value is for the purpose of *Local Government (Financial Management) Regulation 17A(4)* is the fair value of the asset at its last valuation date minus (to the extent applicable) the accumulated depreciation and any accumulated impairment losses in respect of the non-financial asset subsequent to its last valuation date.

Amounts shown above include GST (where applicable)

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cash flows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

The Shire has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

KEY INFORMATION

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee Related Provisions

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.
