<b>Authority/Discretion:</b>	Information

#### **SUMMARY:**

For Council to note the statement of financial activity for the period ended 30 September 2017 as required by the *Local Government Act 1995* (‘the Act’).

Pursuant to section 6.4 of the *Local Government Act 1995* and regulation 34(4) of the *Local Government (Financial Management) Regulations 1996* (‘the Regulations’), a local government is to prepare, on a monthly basis, a statement of financial activity that reports on the Shire’s financial performance in relation to its adopted/amended budget.

This report has been compiled to fulfil the statutory reporting requirements of the Act and associated Regulations, whilst also providing the Council with an overview of the Shire’s financial performance on a year to date basis for the period ending 30 September 2017.

#### **BACKGROUND:**

At its meeting held 31 August 2017 (Minute No. 097/2017 refers), Council adopted the annual budget for the 2017-18 financial year. The figures in this report are compared to the adopted budget.

It should be noted that these reports do not represent a projection to the end of year position or that there are funds surplus to requirements. It represents the year to date position to 30 June 2018 and results from a number of factors identified in the report. There are a number of factors that influence any variances, but it is predominately due to the timing of revenue and expenditure compared to the budget estimates. The notes to the statement of financial activity identify and provide commentary on the individual key material revenue and expenditure variances to date.

The following reports are for Council to note for the period ending 30 September 2017.

- ) Statement of Financial Activity for the Month
- ) Notes to and forming part of the Statement of Financial Activity:
  1. Net Current Asset Position
  2. Identification of Material Variances
  3. Schedule of Committed Assets and Restricted Assets
- ) Statement of Financial Activity by Nature/Type
- ) Schedule of Investments
- ) Visual Graph displaying Net Current Asset Position
- ) Rates Outstanding Report
- ) Sundry Debtors Outstanding Report
- ) Statement of Financial Position
- ) Bank Reconciliation
- ) Visual Graphs displaying Operating and Capital Income and Expenditure

Additionally, and pursuant to regulation 34(5) of the Regulations, a local government is required to adopt a material variance reporting threshold in each financial year. At its meeting of 31 August 2017, the Council adopted (Minute No. 097/2017 part 7 refers) the following material variance reporting threshold for the 2017-18 financial year:

*In accordance with regulation 34(5) of the Local Government (Financial Management) Regulations 1996, and AASB 1031 Materiality, the level to be used in Statements of Financial Activity in 2017-18 for reporting material variances shall be 10%, with a minimum reportable value amount of \$30,000.*

**RISK MANAGEMENT CONSIDERATIONS:**

<p><b>Finance:</b> The Shire is exposed to a number of financial risks. Most of these risks exist in respect to recurrent revenue streams which are required to meet current service levels. Any reduction in these revenue stream into the future is likely to have an impact on the Shire’s ability to meet service levels or asset renewal funding requirements, unless the Shire can replace this revenue or alternatively reduce costs.</p>	Possible	Major	High	Risk assessments have been completed in relation to a number of higher level financial matters. The timely and accurate completion of monthly financial reporting enabling Council to make fully informed decisions is a control that assists in addressing this risk.
<p><b>Reputation:</b> The Shire currently has unspent grant funding, including Country Local Government Fund and various Road Project Funds. This funding is associated with capital works programs. If the Shire does not expend and acquit the funding in a timely manner the funding bodies may not approve carry-over into future years and the funding could potentially be lost. This could also damage future funding opportunities.</p>	Possible	Moderate	Medium	Manage by monitoring progress towards project completion

In accordance with section 6.2 of the *Local Government Act 1995*, the annual budget was prepared having regard to the Strategic Community Plan, prepared under section 5.56 of the *Local Government Act 1995*.

**SUMMARY:**

The *Local Government (Administration) Regulations 1996* requires a local government to give local public notice of the dates, times and place at which the Ordinary Meetings of Council are to be held for the next 12 months.

**BACKGROUND:**

At the Ordinary Meeting of Council held on 24 November 2016, Council determined its meeting dates up to and including the 14 December 2017, and will now need to consider meeting dates for the next 12 months in accordance with the *Local Government (Administration) Regulations 1996*. It is recommended that Council continue holding its Ordinary Meetings of Council on the last Thursday of each month (excluding January when Council is in recess).

Seven meetings were scheduled to be held in Derby, three in Fitzroy Crossing (March, June and November) and one at an Aboriginal Community (September).

It is recommended that Council continue holding Ordinary Meetings of Council on the last Thursday of each month and to advertise this information to the public by way of public notices as per statutory regulations, and to upload it on the Shire's website.

With regard to the December 2018 meeting, it is proposed to hold it on the second Thursday of the month, being 13 December 2018, as opposed to the last Thursday, being 27 December 2018, to ensure availability of Elected Members in the lead up to the Christmas holiday period.

The Easter holiday period for 2018 commences Friday 30 March. Therefore the Ordinary Council Meetings for both March and April can remain on the standard last Thursday of the month.

**STATUTORY ENVIRONMENT:**

*Local Government (Administration) Regulations 1996 – Regulation 12*

These dates have been discussed with the Governance Team and it was agreed that these dates are the most suitable taking public holidays and other meetings into consideration.

Once dates are approved by Council they will be advertised throughout the Shire in accordance with legislation.

**COMMENT:**

Below are the annual events that need to be taken into consideration when adopting Council Meeting dates. It does not appear that any of them will interfere with Councils traditional meeting dates (i.e. last Thursday of each month).

#### SUMMARY:

As a result of the recent Local Government election held on 21 October, 2017, membership of Elected Members to various Council appointed committees was declared vacant. There are 4 current committees established in this manner and their status is outlined in the Comment section of this report:-

- ) CEO Performance Review Committee
- ) Compliance and Strategic Review Committee

It would also be prudent at this time to review membership of external committees requiring Elected Member representation, as well as membership to the working parties/groups Council has previously formed to assist on various issues.

**COMMENT:**

Establishment of committees requires an absolute majority decision of Council. When Council establishes a committee it is required to detail what authority (if any) is delegated to that committee. A formal committee established in this manner is required to observe Council’s Standing Orders and the *Local Government Act 1995* in its meetings: for example all meetings are required to be advertised, produce a formal agenda and minutes, and include a public question time.

An acceptable alternative to the establishment of committees per the *Local Government Act 1995* is the formation of working parties, working groups, or teams. Such bodies are not delegated specific authority from Council and therefore act as an advisory body only. Recommendations from such bodies are presented to Council through officer reports.

Somewhat confusingly there are also bodies that have been previously established by Council which are referred to as ‘committees’, but are not established per the *Local Government Act 1995*.

The following information details the various committees that Council has established or is represented upon. Council is requested to review its representation on such bodies, whether to disband some internal working parties and to nominate elected members to those bodies to which Council wishes to continue providing representation.

Council Committees (formed per s5.8 of the *Local Government Act 1995*)

CEO Performance Review Committee (prior to 21 October, 2017 – Crs Archer, White, Oscar, Kloss and Prouse): originally established in January 2002, the Committee undertakes the performance review of the CEO and negotiates changes to the CEO’s contract of employment for subsequent Council approval.

Compliance and Strategic Review Committee, formally Audit Committee and Policy Review Committee (prior to 21 October, 2017 – Crs Archer, Twaddle, White and Prouse) established in May, 2005 to comply with legislation and to oversee financial issues. Change of Committee name and Terms of Reference occurred in March 2015 to reflect changes to the *Local Government (Audit) Regulations 1996* to expand the focus of the Committee to provide effective corporate governance through the review of systems and procedures relating to risk management, internal control and legislative compliance.

Shire of Derby West Kimberley Recovery Committee (prior to 21 October, 2017 – Crs Archer, Twaddle, Coggins and McCumstie) originally established in March, 2013 to oversee local government procedures following an emergency event.

Housing and Works Committee (prior to 21 October, 2017 – Crs Archer, White, Twaddle, CEO Stephen Gash and DTDS Wayne Neate) established in August 2015 to prioritise works in accordance with the Shires asset management principles and the *Local Government Act 1995*. The Committee has delegated authority to allocated funds from specific accounts identified within the Terms of Reference.
