APPLICATION FOR LEAVE OF ABSENCE

In accordance with Section 2.25 of the *Local Government Act 1995*, an application for leave requires a Council resolution granting leave requested. Council may grant approval for Leave of Absence for an Elected Member for ordinary Council meetings for up to but not more than six consecutive meetings. The approval of the Minister is required for leave of absence greater than six ordinary Council meetings.

This approval must be by Council resolution and differs from the situation where an Elected Member records their apologies for the meeting. A failure to observe the requirements of the Act that relates to absence from meetings can lead to an Elected Member being disqualified should they be absent without leave for three consecutive meetings.

Responsible Officer:	Wayne Neate – Director of Technical and Development Services
Disclosure of any Interest:	Nil
Date of Report:	20 November 2018
Attachments:	Petition received from Kelly Betambeau
Authority/Discretion:	Review

SUMMARY:

This item seeks Council's approval to accept the intent of the invalid petition received from Kelly Betambeau. In addition, highlight the support of the community in further correspondence to the Commissioner of Main Roads Western Australia (MRWA) as per Council as per minute no 092/2018.

BACKGROUND:

Complaints have been received from residents within the Hamlet Grove subdivision over several years regarding vehicles travelling at excessive speeds. Upon investigating Council officers identified there was some confusion over what the actual speed limit in this area was.

Shire staff then assisted in collecting data on the roads within the Hamlet Grove subdivision to assist Main Roads in determining what the speed limit could be set at, taking into consideration the location and density of the properties at the same time.

Following this an item was put to Council in March 2018 and a motion was moved to apply to MRWA for a 60km/h speed limit on Windjana and Lennard Road's.

The initial response from MRWA technical section based in Perth was to set the speed at 80km/h on both roads. Kimberley MRWA staff then went back to their technical staff to request if it could be lowered to 70km/h. MRWA technical staff have agreed

to this and proposed that the speed limit on Windjana and Lennard Road's be set at 70km/h which was accepted by Council at the Ordinary Meeting held 25 October 2018

MINUTE NUMBER. 092/2018**Moved: Cr McCumstie****Seconded: Cr Twaddle****That Council:**

- 1. Accept the proposal by Main Roads Western Australia to implement 70km/h speed zone signage on Windjana and Lennard road's in the Hamlet Grove subdivision;**
- 2. Continue to lobby Main Roads Western Australia to lower the speed zone on Windjana and Lennard roads in the Hamlet Grove subdivision.**

CARRIED: 7/0

Since this time the approved signage has been installed on the roads at Hamlet Grove.

On 26 October a petition addressed to the Chief Executive Officer was received with 418 signatures 'supporting the Shire of Derby/West Kimberley's proposal to Main Roads for the speed limit to be 60 km/h on the roads in Hamlet Grove'.

As a result of the timing of this petition, the response to Main Roads as outlined in Minute 092/2018 has been held over pending the outcome of this item.

CONSULTATION:

Previous consultation with Main Roads Western Australia.

Shire Staff have worked to provide information to the residents of Hamlet Grove. Meetings have also been held with the residents by Councillor Prouse and Haerewa.

COMMENT:

On 26 October a petition addressed to the Chief Executive Officer was received with 418 signatures ‘supporting the Shire of Derby/West Kimberley’s proposal to Main Roads for the speed limit to be 60 km/h on the roads in Hamlet Grove’.

The Standing Orders Local Law sets out the requirements of the information required to present a valid petition. Below is a summary of the validity of the petition against the criteria:

- **THE PETITION IS NOT ADDRESSED TO THE PRESIDENT AS REQUIRED BY 3.4(A) OF THE LOCAL LAW. THE PETITION IS CURRENTLY ADDRESSED TO STEPHEN GASH, CEO.**
- **IT IS NOT CLEAR WHETHER THE PETITION IS MADE BY ELECTORS OF THE DISTRICT AS REQUIRED BY 3.4(B) OF THE LOCAL LAW. IN SOME CASES A STREET ADDRESS IS NOT GIVEN OR THE ADDRESS IS BASED OUTSIDE OF THE DISTRICT.**
- **THE PETITION DOES NOT ALWAYS CONTAIN THE NAMES, ADDRESSES AND SIGNATURES OF THE ELECTORS MAKING THE REQUEST AS REQUIRED BY 3.4(D) OF THE LOCAL LAW.**
- **THE PETITION DOES NOT CONTAIN THE DATE EACH ELECTOR SIGNED AS REQUIRED BY 3.4(D) OF THE LOCAL LAW.**
- **SECTION 3.4(G) OF THE LOCAL LAW IS IRRELEVANT AS THE PETITION DOES NOT CONCERN ANY OF THE REQUESTS, PROPOSALS OR SUBMISSIONS LISTED UNDER THAT SECTION.**
- **THE PETITION MEETS THE REQUIREMENTS OF 3.4(C) AND (E) OF THE LOCAL LAW.**

Albeit the petition in its current form does not comply with the requirements of the Standing Orders Local Law, Council can accept the intent being there is some wider community support for the proposed speed reduction to 60 km/h. As a result of the timing of this petition, the response to Main Roads as outlined in Minute 092/2018 has been held over pending the outcome of this item. Should Council accept the intent of this petition, this can be included in the outstanding response to the Commissioner of Main Roads required by Minute No. 092/2018.

In addition, Officers will make appropriate amendments to the information provided on the Shire of Derby/West Kimberley website to assist the community to make valid petitions in the future.

10.5.1 WASTE MANAGEMENT FEES WAIVER – MARY ISLAND FISHING CLUB

Location/Address:	Portion Reserve 26818 Lot 325 Elder St, Derby
Name of Applicant:	Mary Island Fishing Club
File Reference:	9010.13
Author:	Ross Sullivan, Manager of Community Development
Responsible Officer:	Stephen Gash, Chief Executive Officer
Disclosure of any Interest:	Nil
Date of Report:	30 November 2018
Attachments:	Request Letter, Drawing of Lease Area
Authority/Discretion:	Executive

SUMMARY:

This item seeks Council to consider waiving fees for disposal of materials at the Derby Waste Management Facility resulting from a clean-up of the portion of Reserve 26818 Lease area held by Mary Island Fishing Club (MIFC).

BACKGROUND:

MIFC currently hold a ten year lease over a portion of Reserve 10831 expiring in October 2021 with an option for a further ten year term. It is upon this area that the Club's main facilities are located.

In June 2013, MIFC was granted a Lease variation to include the portion of Reserve 26818 which abuts the western boundary of the initial Lease area for the purpose of developing a boat storage facility and associated ancillary uses.

At this point in time, development of the area as a boat storage facility has not been progressed

Located on this leased area is a small building containing asbestos as well as other material such as cement pads, footings with remnants of steel protruding from them, bricks and other legacy items that were in place at the time MIFC acquired the Lease.

These materials are located amongst vegetation making it difficult to maintain the area to a safe or appealing standard and is relatively visible to the public as well as from the Club's main area where a number of tourist events are held.

More recently, people have been accessing the area to use as an itinerant camping ground which is becoming more problematic for the club as they are beginning to try and access the club facilities and services. MIFC as the lease holders are responsible for the maintenance and upkeep of the property. It was because of this that MIFC approached the Shire for assistance to clean up the property to remove the vegetation and other legacy items.

MIFC were successful in receiving a Quick Grant to cover the costs of disposing the asbestos building at the waste management Facility. They have also secured donated use of machinery and equipment to remove the waste materials described above to bring the area to clean and tidy state. The waste removed will be largely vegetation, concrete (approx. 80 cubic metres) and steel.

STATUTORY ENVIRONMENT:

Not Applicable

POLICY IMPLICATIONS:

By virtue of 6.12(1)(b) of the *Local Government Act 1995*, Council have the power to waive adopted Fees and Charges:

6.12. Power to defer, grant discounts, waive or write off debts

(1) Subject to subsection (2) and any other written law, a local government may —

(a) when adopting the annual budget, grant* a discount or other incentive for the early payment of any amount of money; or

(b) waive or grant concessions in relation to any amount of money; or

(c) write off any amount of money,

which is owed to the local government.

* Absolute majority required.

FINANCIAL IMPLICATIONS:

Foregone (waived) waste disposal charges on an estimated 80m² volume of concrete material at \$55/m² equating to \$4,400. Other materials including steel and green waste do not attract charges.

STRATEGIC IMPLICATIONS:

GOAL	OUTCOME	STRATEGY
Community wellbeing	An inclusive and participative community	Actively promote and support community groups and clubs

A balance between the natural and built environments	Protection of the natural environment	Provide effective management and maintenance of the Shire's land and reserves
--	---------------------------------------	---

RISK MANAGEMENT CONSIDERATIONS:

RISK	LIKELIHOOD	CONSEQUENCE	MITIGATION
Environment:	Likely	Moderate	Assist to facilitate clean-up
People, Health and Safety:	Almost certain	Major	Assist to facilitate clean-up
Property:	Possible	Moderate	Assist to facilitate clean-up

CONSULTATION:

The Shire has received a letter from MIFC with the details of their request followed by internal discussions with officers from other departments.

COMMENT:

MIFC acquired the Lease with the waste materials already on site. Without progression of the boat storage facility, there has been no impetus to undertake to clear the area of the various legacy materials and items.

Increasingly, homeless people accessing the area has become more frequent and is a health and safety hazard for these people due to open fires burning close to combustible vegetation, snake bites, trip hazards etc. Generally, it is an unsafe location for people to be established in whatever manner.

The general aesthetic of the area would be greatly improved with the removal of the waste material, particularly as it can be seen from Jetty Road where there is a high frequency of traffic as well as being adjacent to a regular tourist event area where MIFC host a variety of events.

The subject Lease area is managed through a Head Lease between the Shire and the Department of Transport. Should the Lease with MIFC lapse and the Shire undertake a clean-up for the same reasons outlined above, the costs to engage contractors is estimated to be close to \$10,000. Currently, these costs would be avoided by the Shire through MIFC carrying out the works with their arranged donated services.
