Hundreds gather for the Derby Expo

It was a great day out in Derby as nearly 500 people gathered at the Derby Sportsmen's Club on Sunday 23 February for the 2020 Derby Community Expo.

The Expo showcased over 45 local organisations and clubs in our community and celebrated what makes Derby and our extended communities so great.

The Youth Zone featured the famous Sportie's Golf Cart Train Ride, the Shire's Jumping Castle, Shooting Stars and a Lazer Tag demonstration with Paul Webb from WA Police Force. The Department of Fire and Emergency Services (DFES) displayed their appliances which included the Fire Truck and SES Quad Buggy.

Locals were treated to some amazing live music by local musicians Brad Spring, Kallum Mungulu and Ishmael Barunga, MMA and Trax Band. Thank you to the musicians and Bill Hart for coordinating the artists and set up on the day. 6BDY Larrkardi Radio live broadcast throughout the day, taking the Expo to the wider community and those that couldn't make it along.

Thank you to all the stallholders, musicians and everyone who attended. We received some really positive feedback and we can't wait to do it all again!
