## **GEIGER, Lesley-Anne**

I believe the Shire of Derby West Kimberley is the most wonderful place to live.

I have been a Registered Nurse for 35 years and have been employed by Derby Hospital since 2010. I have cared for many residents of Derby and the surrounding communities

I am passionate about our local area and am willing to work hard to ensure the social and economic success in our unique wilderness environment.

I believe I promote openness and honesty in all my business dealings. I believe everyone should benefit from the decisions made by our council and we must plan for the future and spend time and money wisely. This starts with having sound representation to reflect the community's aspirations.

My wish is to promote a sense of pride, belonging and responsibility within our community. This in turn cultivates optimism, growth, wellness, and safety for current and future generations.
