---

## **STINSON, N.K.(Nikki)**

Originally from the southeastern United States, I have been an Australian citizen for 22 years. My family and I have lived in many cultures and countries around the world, and have chosen Derby as our home. A teacher for many years, and now the School Chaplain at Derby District High School, I have spent most of my life working with and for young people and their communities. Derby is now my heart's home this side of heaven, and my goal is to be instrumental in finding resolutions to the issues we've experienced, and to build on the amazing character and community spirit of this town, so that everyone, including ourselves, recognises that Derby is, indeed, the best little town in the Kimberley. The budget and public works are a priority, but the well being of our people, as individuals and as a community must always be a major focus .
